# Square lace shawl

Shoulder size · US terms

Finished size
**About 45¼ × 45¼ in (115 × 115 cm)**

Skill
**Intermediate**
V-stitches, clusters, rounds begun in a corner, picots

Yarn
**Light (3), 5 colors**

Hook
**5 mm (US H-8)**

Gauge
**15 stitches and 8 rounds to 4 in (10 cm)**
In double crochet.

## You will need

| | |
|---|---|
| Yarn A: ivory, center | **about 80 yd (73 m), an estimate** |
| Yarn B: sea glass, second band | **about 200 yd (183 m), an estimate** |
| Yarn C: aqua, third band | **about 325 yd (297 m), an estimate** |
| Yarn D: teal, fourth band | **about 425 yd (389 m), an estimate** |
| Yarn E: deep sea, outer band and fans | **about 675 yd (617 m), an estimate** |

Hook: 5 mm (US H-8), or the size that gives you the gauge. Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

## Sizes

| Size | Finished size, about | Yarn, an estimate |
|---|---|---|
| **Shoulder size (this file)** | **45¼ × 45¼ in (115 × 115 cm)** | **about 1,705 yd (1,559 m)** |
| **Full size** | 54¼ × 54¼ in (138 × 138 cm) | about 2,395 yd (2,190 m) |

## Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

| | |
|---|---|
| **ch** | chain stitch |
| **sl st** | slip stitch (UK ss, slip stitch) |
| **sc** | single crochet (UK dc, double crochet) |
| **dc** | double crochet (UK tr, treble) |
| **beg** | beginning |
| **rnd** | round |

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

| | |
|---|---|
| **sk** | skip (UK miss) |
| **sp** | space |
| **st** | stitch |
| **yo** | yarn over (UK yoh, yarn over hook) |

### Special stitches

**CL (cluster, a leaf):** (yo, insert hook in the place, yo and pull up a loop, yo and draw through 2 loops) 3 times in the same place, yo and draw through all 4 loops on the hook. It leaves 1 cluster for the next round.

**beg CL (beginning cluster):** The cluster a round begins with: ch 2, then (yo, insert hook in the place, yo and pull up a loop, yo and draw through 2 loops) 2 times in the same place, yo and draw through all 3 loops on the hook. It counts as a CL and its top is the top of those loops, not the ch 2.

**picot:** Ch 3, sl st in 3rd ch from hook. Nothing is worked into the picot, and it uses no stitch of the row below.

## Gauge

**15 stitches and 8 rounds to 4 in (10 cm)** in double crochet.

**Check your gauge on the piece.** Begin the pattern and measure the piece itself as you go. After round 6 the piece, laid flat and measured from the center straight to the middle of a side, is about 3 in (7.6 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size work 3 rounds of lace more or fewer, or 6, 9 and so on, so that the last two rounds of lace are again two rounds that do not skip the leaf spaces. Add or leave out these rounds in the last band, yarn E; the bands before it stay as they are. Every three rounds add 4 V-stitches to each side and about 3 in (7.6 cm) to its length. In the last round a side takes a sc in its first ch-1 sp, then a fan and a sc in turn, so it ends with a sc: with s ch-1 sps on a side what is in its brackets is worked (s - 1) / 2 times.

## Before you start

- A V-stitch is (dc, ch 1, dc) in one ch-1 sp, the space inside a V-stitch or the ch-1 sp between two leaves of the round below. A leaf is a CL.
- A round begins in a corner. From round 2 on, where the round does not begin with "Join", go to the corner like this: from the join, work a slip stitch in the ch-1 sp, a slip stitch in the next CL and then the slip stitch in the corner ch-2 sp that is printed; they are not counted. The ch-1 sp you pass over in this way is the last one of the round: the last V-stitch or the last "sk next ch-1 sp" of the round, or the last sc of the last round, belongs to it.
- Each corner has four leaves in its ch-2 sp: (CL, ch 1, CL, ch 2, CL, ch 1, CL). The first two end the side before it, the last two begin the side after it. In the first corner of a round the first of them is the beg CL.
- The lace goes by threes. Round 2 has one V-stitch on each side. In round 3 and every third round after it (6, 9, 12 and so on), but not in the round of fans that ends the shawl, the ch-1 sps between the leaves are skipped, so the number of V-stitches stays the same. In the two rounds between (4 and 5, 7 and 8, 10 and 11, and so on) the ch-1 sps between the leaves take a V-stitch too, so each side has two V-stitches more than in the round before. Pass over the leaves and the dc on the way; only the ch-1 sps are worked into.
- "Join" means: fasten off the yarn of the round before at the end of that round (cut it, leaving a tail of about 6 in (15.2 cm), and draw the tail through the last loop) and join the yarn named with a slip stitch in any corner ch-2 sp. "Any corner" is any one of the four: the sides are alike.
- Two ways to wear it: fold it on the diagonal, right side out, for a double triangle; or turn one corner to the wrong side on a line about 6 in (15.2 cm) above the center and lay that fold along the neck, so that the center lies on the back and the opposite corner is the point.
- In the last round the ch 3 and the 8 dc after it, with their two picots, are the first corner fan, all in the corner sp you slip stitched into.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- The ch 3 at the start of a round counts as a dc.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked, apart from the slip stitches at the start of a round.
- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Every round is worked with the right side facing; do not turn.
- A square about 45.2 in (114.8 cm) along each side with the fans, and about 64 in (162.6 cm) from corner to corner. Folded on the diagonal it is a triangle about 64 in (162.6 cm) across and 32 in (81.3 cm) deep.
- 45 rounds: yarn A, rounds 1 to 8; yarn B, rounds 9 to 17; yarn C, rounds 18 to 26; yarn D, rounds 27 to 35; yarn E, rounds 36 to 45. The last is the round of fans.
- After round 44 each side has 57 V-stitches between its two pairs of leaves, and the corner spaces are ch-2 sps.

## Instructions

Chosen: Shoulder size. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and yo is yarn over hook.

**Yarns in order of use: A, ivory; B, sea glass; C, aqua; D, teal; E, deep sea.**
