Special stitches

picot: Ch 3, sl st in 3rd ch from hook. Nothing is worked into the picot, and it uses no stitch of the row below.

Gauge

17 stitches and 9 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 9 the piece, laid flat and measured from the middle of the ring straight out to the last row, is about 4.2 in (10.7 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For a shoulder shawl a little deeper, work row 27 of the shoulder shawl once or twice more before the pineapples: the stitches stay the same, every such row adds about 0.4 in (1 cm) to the depth and about 0.9 in (2.3 cm) to the top edge, and the numbers of the rows after it move up by as many. If a wrong side row becomes a right side row by this, nothing else changes: the lace has no side of its own.

Before you start

- A V-stitch is (dc, ch 2, dc) in one place; a shell is (2 dc, ch 2, 2 dc) in one place. In the rows of V-stitches the chains between two V-stitches are skipped, except in the rows that say "in next ch-3 sp".
- A pineapple. Its fan is 15 tr, all in one ch-4 sp; "sk next 2 ch-2 sps" (in the full shawl "sk next ch-2 sp") beside it passes over V-stitches. In the row after the fan "dc in next st", after the skipped space, goes into the first tr of the fan, and a dc stands in every tr. From then on the pineapple is loops of ch 3, one fewer in every row. In the last row of the pineapples the two ch-4 sps and the sc between them are passed over, so that the shells on both sides of the tip meet.
- Between two pineapples the one shell becomes a shell of three pairs, then two shells, and then the net of ch-5 loops grows between the two shells by one loop in every row. At the two straight edges half of such a net grows, between the first or last shell and the edge.
- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row, so "next st" right after it is the second stitch.
- The ch 4 at the start of a row counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row, so "next st" right after it is the second stitch.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 41.6 in (105.7 cm) across the straight top edge and 20.8 in (52.8 cm) deep from the middle of the top edge to the rim. The picots stand out about 0.1 in (0.3 cm) farther.
- 47 rows. The V-stitches: rows 3 to 27. The 8 pineapples: rows 28 to 45. The rim: rows 46 and 47, with yarn B; all the other rows are with yarn A.
- Rows with more V-stitches than the row below: row 6 (13), row 12 (25), row 24 (49).

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, dusty teal; B, pearl.
