Special stitches

picot: Ch 3, sl st in 3rd ch from hook. Nothing is worked into the picot, and it uses no stitch of the row below.

puff (puff stitch): (yo, insert hook in the space, yo and pull up a long loop) 4 times in the same space, yo and draw through all 9 loops on the hook. It leaves 1 puff for the next row.

Gauge

15 stitches and 8 rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 7 the top edge, laid flat and measured straight across from tip to tip, is about 9.9 in (25.1 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. The full shawl goes on from the shoulder shawl: rows 1 to 29 have the same stitches in both, in other colors. For a small one with one tier only, work rows 1 to 17 and then the two border rows: in the first of them the long brackets are worked 16 times in each half (one time fewer than the number of rows before the border), in the second the brackets are worked 9 times in each half.

Before you start

- The ground is a mesh: dc with a ch 1 between two of them, every dc in a ch-1 sp of the row below. Every row grows: right side rows (odd) grow at the two ends, where the first and the last place hold two dc with a ch 1 between, and wrong side rows (even) grow at the spine, where a dc with a ch 1 stands on each side of the six dc.
- The spine is (3 dc, ch 2, 3 dc), worked in the ring in row 1 and in the ch-2 sp of the spine after that. In the rows of a tier a "next ch-2 sp" comes in every shell too; the spine is the one in the middle of the row.
- A pineapple. A shell, (2 dc, ch 2, 2 dc), stands on each side of it and goes into the ch-2 sp of the shell below. Its fan of tr goes into one ch-3 sp; the ch-1 sps that are skipped beside the fan, and the dc between them, are left unworked. In the row after the fan "dc in next st", after the skipped space, goes into the first tr of the fan, and a dc stands in every tr. Then come puffs in the ch-1 sps between the stitches of the row below, with a ch 1 between two puffs, one puff fewer in every row, to a single puff. The row that closes the tier has one dc in the ch-2 sp of each shell; the two ch-3 sps and the puff between them are skipped.
- The last "dc in next ch-1 sp" of a row goes into the ch-1 sp of the turning ch, and what follows it goes into the 3rd chain, counted from the bottom.
- The ch 4 at the start of a row counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.

- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 63.4 in (161 cm) across the top edge and 31.7 in (80.5 cm) deep down the spine, with the border.
- 45 rows. First tier, one pineapple each side of the spine: rows 8 to 16, closed by row 17. Second tier, two pineapples each side of the spine: rows 18 to 28, closed by row 29. Third tier, three pineapples each side of the spine: rows 30 to 42, closed by row 43. Border: rows 44 and 45.
- Yarn A: rows 1 to 17. Yarn B: rows 18 to 29. Yarn C: rows 30 to 43. Yarn D: rows 44 and 45.

Instructions

Chosen: Full shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble, tr is double treble and yo is yarn over hook.

Yarns in order of use: A, honey; B, apricot; C, rose; D, wine.
