In single crochet, in a spiral.

What you need

Yarn A: chocolate brown, plush and the details	**about 135 yd (123 m), an estimate**
Yarn B: white, the details	**about 5 yd (5 m), an estimate**
Yarn C: rose pink, the details	**about 5 yd (5 m), an estimate**

By weight: about 75 g in all, an estimate, where 100 g is 200 yd (183 m).

Hook: 3.5 mm (US E-4), or the size that gives you the gauge. Also: toy stuffing, a yarn needle, a stitch marker, pins, scissors and two black plastic eyes with washers, 10 mm.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 30 percent added.

Gauge

20 stitches and 22 rounds to 4 in (10 cm) in single crochet, in a spiral.

To check it, work a flat circle: 6 sc in a magic ring, then 6 more sc in each round (12, 18, 24, 30, 36). After round 6 it should measure about 2 3/16 in (5.6 cm) across. The stitches should be tight enough that the stuffing does not show.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

Notes

- The piece is worked in a continuous spiral with the right side facing you: do not join and do not turn. Put the marker in the first stitch of each round and move it up.
- Square brackets hold a repeat; work it as many times as the line says. The number in parentheses is the count at the end of the round.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- Where the tiers come from: round 13 is worked in the back loops, so that the flat base has an edge. Rounds 23 and 32 are worked in the back loops too, so that each new tier steps up from the fold below it.
- Another color: for a pink one use rose pink, about 135 yd (123 m), wherever these words say A, and a deeper pink, about 5 yd (5 m), wherever they say C.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop and pull the tail to close it. Or chain 2 and work round 1 into the first chain.
- Center line: places on a piece are given by round and by stitches from a center line. It is half way round from where the rounds begin. Mark it with a pin or a scrap of yarn as listed here, run it straight from round 1 to the last round by eye, and count out from it along the round, in stitches and half stitches.
- Plush: the center line runs between stitches 36 and 37 of round 17 (72 sts). It faces the front, round 1 at the bottom.
- Right and left are as you look at the front of the plush. Rounds are counted from the start of each piece.
- Running stitches go in and out along a line.
- To work sc2tog, put the hook under the front loop only of each of the next 2 stitches, yarn over, pull through both loops, yarn over, pull through 2 loops.
- For a child under three, or a pet, embroider the eyes instead: satin stitch dots of the same size in black yarn (about 2 yd (2 m), 2 m, not in the list above).
- The rounds and stitches are the same for every size; the yarn and the hook make the difference. Lengths in the words (tails, details) are for Standard, the size written here: for another size multiply them by the number in its line.
- Small: fine (2, sport) yarn, 2.25 mm (B-1) hook, 27 sc and 30 rounds to 4 in (10 cm): about 3½ in (8.9 cm) tall and 3½ in (8.9 cm) across the base; eyes 7 mm; multiply lengths by 0.74; about 0.74 times the yarn.
- Jumbo: super bulky (6, plush or velvet) yarn, 6.5 mm (K-10½) hook, 11 sc and 12.1 rounds to 4 in (10 cm): about 8¾ in (22 cm) tall and 8¾ in (22 cm) across the base; eyes 18 mm; multiply lengths by 1.8; about 1.8 times the yarn.

Assembly

Plush: a cheeks

A number is the step below that puts it on; a letter is put on under Finishing. Each line is a round, counted as the rounds are worked. The upright broken line is the center line. A place with a broken edge is on the far side.

1. The folds: with a new length of A, about 24 in (61 cm), work running stitches all the way round along round 22, the narrow round below the middle tier. Draw the yarn up until the fold is clear and the plush measures about 3 in (7.6 cm) across there, and fasten off. Do the same along round 31, the narrow round below the top tier, until it measures about 2 1/8 in (5.4 cm) across.

2. The tip: bend the last 7 or 8 rounds over to the right, so that the tip points out to the side and a little up, and hold the curve with a few running stitches of A along its inner side, drawn up a little. With your fingers ease the top tier a little to the left.

Finishing

- Put in the plastic eyes when the words of a piece say so, or embroider eyes in the same places with the other details. Embroider with one strand of yarn and the yarn needle; begin and end each strand inside the toy. Satin stitch is straight stitches side by side until the shape is filled. Backstitch is a line of short stitches end to end: bring the needle up one stitch ahead, put it down at the end of the stitch before, and repeat.
- Eye whites: with B (white), in satin stitch, an upright oval about 5/8 in (16 mm) wide and 11/16 in (17 mm) tall, its middle on the plush on round 25, one to each side, 3 stitches from the center line (6 stitches apart). Work the stitches straight up and down, then go once round the edge in backstitch with B.
- Eyes: two 10 mm black plastic eyes, on the plush between rounds 24 and 25, in the lower half of the eye whites, one to each side, 2½ stitches from the center line (5 stitches apart).
- Grin: with B (white), in satin stitch, a half round with its straight edge at the top, 1½ in (38 mm) wide and 5/8 in (16 mm) tall; the middle of the straight edge is on the plush on round 18, on the center line. Work the stitches straight up and down, then go once round the edge in backstitch with B.
- Tongue: with C (rose pink), in satin stitch over the lower part of the grin, an oval lying on its side, 9/16 in (14 mm) wide and ¼ in (6 mm) tall, its middle 3/8 in (10 mm) below the middle of the straight edge. Work the stitches straight up and down, then go once round the edge in backstitch with C.
- Cheeks: with C (rose pink), in satin stitch, an oval about 3/8 in (10 mm) wide and ¼ in (6 mm) tall, its middle on the plush on round 19, one to each side, 6½ stitches from the center line (13 stitches apart), then once round its edge in backstitch with C.
- Weave every tail through the toy and trim it. Check the toy from time to time.

In all: 46 rounds; 1,878 stitches.
