What you need

Yarn A: gray marl, main color	**about 225 yd (206 m), an estimate**
Yarn B: black, blocks and collar band	**about 250 yd (229 m), an estimate**
Yarn C: neon coral, hem blocks	**about 80 yd (73 m), an estimate**

By weight: about 280 g in all, an estimate, where 100 g is 200 yd (183 m).

Hook: 5.5 mm (US I-9), or the size that gives you the gauge. Also: yarn needle, scissors, tape measure, 2 stitch markers and about 12 straight pins.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added.

Sizes

Size	Finished size, about	Yarn, an estimate
10 years	22 × 11 in (56 × 28 cm)	about 485 yd (443 m)
12 years (this file)	**23½ × 12¼ in (60 × 31 cm)**	**about 555 yd (507 m)**
14 years	25 × 13½ in (64 × 34 cm)	about 635 yd (581 m)

Gauge

14 stitches and 15 rows to 4 in (10 cm) in moss stitch.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 15 the piece, laid flat, is about 4 in (10.2 cm) from the first row to the last. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For a deeper poncho begin with 2 chains more for each panel, about 0.6 in (1.5 cm): every row then has one sc and one ch-1 sp more, and the bracket is worked once more; work 2 rows more of yarn A at the beginning of each panel, so that the seam stays as long as the panel is wide. The neck is still the first rows of a panel, as many as are printed, and the seam is all the rows after them. For a larger neck work 2 rows more of yarn A in each panel, which are added to the rows of the neck, and 4 rows more in the collar band: the neck is then about 1.1 in (2.8 cm) longer round.

Notes

- Whip stitch: hold the two edges together, one on top of the other. Bring the needle from the back to the front through both edges, carry the yarn over the edges to the back, and bring the needle to the front through both edges again at the next place.
- Moss stitch: from row 2 on every sc but the first and the last of a row goes into a ch-1 sp of the row below, so that each ch 1 stands over an sc. In the gauge and the width each sc and each ch 1 is one stitch.
- In every row from row 2 on the first sc goes into the first stitch, at the foot of the ch 1, and the last one into the last stitch of the row. In row 2 and the other even rows the next sc goes into the first ch-1 sp.
- BLO means back loop only: work under the back loop of the stitch, the one farther from you. In the collar band it makes ribs that run up and down when the band is worn.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- Buy whole balls from one dye lot.
- The size in the list is that of one panel: each of the two is about 23.5 in (59.7 cm) long and 12.3 in (31.2 cm) wide. Sewn, the neck edge is about 22.4 in (56.9 cm) round before the collar band is sewn on, and from the neck edge straight out to the hem it is about 12.3 in (31.2 cm); from the neck to either point it is about 17.4 in (44.2 cm). The collar band is about 4.3 in (10.9 cm) wide and 22.4 in (56.9 cm) round.
- Each panel has 88 rows. Yarn A (gray marl): rows 1 to 46. Yarn B (black): rows 47 to 72. Yarn C (neon coral): rows 73 to 88. The collar band is yarn B, 84 rows of 15 sts.
- Ages are a guide to the size of the finished piece: go by the measurements.

Assembly

1. Panels: lay one panel on the table with the right side up and row 1 at the bottom: its right hand edge, the one at your right, is its neck edge (left handed: its left hand edge, and read left for right and right for left in all of this). Mark on that edge the end of row 42 with a marker, and do the same on the second panel. From row 1 to the marker, 42 rows, is the neck; the 46 rows above it, rows 43 to 88, are a seam.

2. First seam: take the first panel, and lay the foundation edge of the second panel along the seam rows of the first, rows 43 to 88, right sides together: the end of the foundation edge that is next to the neck edge of the second panel lies at the marker of the first, the other end at the last row of the first. 43 chains go along 46 rows: pin the two ends and the middle, and ease the rest evenly. With a length of yarn A about 47.3 in (120.1 cm) whip stitch the edges together.

3. Second seam: in the same way sew the foundation edge of the first panel to rows 43 to 88 of the second panel, right sides together, the end next to the neck edge of the first panel at the marker of the second, with a second length of yarn A as long. Now each panel is sewn to the other at both ends of the neck and the piece is a ring with a point at the front and one at the back. Turn it right side out. To wear it as it is pictured, turn it on the neck until one point hangs below the front of a shoulder.

4. Collar band: sew its last row to its foundation edge, right sides together, with a length of yarn B about 21.7 in (55.1 cm), 15 sts to 15 chains, with whip stitch: it is a ring 84 rows round. Turn it right side out. Its two edges are row ends. Pin one of them to the neck edge of the poncho, right sides together, the seam of the band at one of the two places where the panels meet; 42 row ends of the band go to the 42 row ends of each panel, one to one. Whip stitch them together with a length of yarn B about 79.7 in (202.4 cm). Turn the band up and fold it outward, or wear it standing.

Finishing

- Weave in the ends.

In all: 3 pieces; 5,220 stitches (1,980 in each panel, 1,260 in the collar band).
