Special stitches

cl (Cluster): [yo, insert hook in the place named, yo and draw up a loop, yo and draw through 2 loops] 3 times, all in the same place, yo and draw through all 4 loops on hook. It leaves 1 cl for the next round.

beg-cl (Beginning cluster): Ch 3, [yo, insert hook in the place named, yo and draw up a loop, yo and draw through 2 loops] twice, all in the same place, yo and draw through all 3 loops on hook. It counts as a cl.

picot: Ch 3, sl st in the 3rd ch from hook.

Gauge

17 stitches to 4 in (10 cm) in double crochet.

After rnd 4 a wheel measures about 3¾ in (9.5 cm) across. If yours is larger, use a smaller hook; if it is smaller, use a larger hook.

Before you start

- Magic ring: wrap the yarn round two fingers, work the first round into the loop, then pull the tail to close it. Ch 4 joined into a ring with a sl st does as well.
- Every round is worked with the right side facing; do not turn.
- A beginning chain counts as the stitch in brackets after it. A ch 1 at the start of a round does not count as a stitch.
- When the next stitch or space of a kind is named, pass over anything else that comes before it. Work into a space round the chain, not into it.
- The sl sts at the start of a round carry the yarn to where the round begins; they are not counted.
- The yarn amounts are for three wheels, one in each of A, B and C, and four leaf motifs in D.
- A scallop is one group of rnd 11 of a wheel. A leaf motif has three picots: one at each side of its middle and one at its tip; its last sc goes in the ch that holds its first sc. The scallops of a wheel are numbered 1 to 16 in the order they are worked.
- Read the assembly before you work rnd 11 of wheels 2 and 3 and the leaf motifs: that is where they are joined.
- For a longer runner work more wheels, the colors by turns. Each one takes two more leaf motifs and adds about 11½ in (29 cm) to the length at the gauge above.

Instructions

Chosen: DK cotton. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble, dc is treble and tr is double treble.

Assembly

1. Wheel 1: work it to its end.

2. A joined picot: where the words say picot, work ch 1, sl st in the picot named below, ch 1. Both pieces lie beside each other with the right side up.

3. Wheel 2: work rnd 11 with a joined picot in scallops 1 and 2: scallop 1 to the picot of scallop 10 of wheel 1, scallop 2 to the picot of scallop 9 of wheel 1. Wheel 3: join it to wheel 2 in the same way.

4. Lay the row of wheels right side up in front of you with wheel 1 at your left. Between two wheels there is one gap above the join and one below it; each takes a leaf motif.

5. Leaf motif above a join, its tip pointing up, away from the join: work a joined picot at the first two picots, the first to the picot of scallop 11 of the wheel at your left, the second to the picot of scallop 16 of the wheel at your right. The picot at the tip is a plain one.

6. Leaf motif below a join, its tip pointing down: work the first picot as a joined picot to the picot of scallop 3 of the wheel at your right, the second to the picot of scallop 8 of the wheel at your left. The picot at the tip is a plain one.

Finishing

- Weave in all ends with the yarn needle.
- To block: wet the piece, lay it right side up on a towel, pin it out to size with every scallop and picot drawn evenly, and let it dry.

In all: 3 pieces.
