What you need

Yarn A: pine, main color — **about 1,000 yd (914 m), an estimate**
Yarn B: oat, contrast — **about 150 yd (137 m), an estimate**

By weight: about 880 g in all, an estimate, where 100 g is 130 yd (119 m).

Hook: 8 mm (US L-11), or the size that gives you the gauge. Also: yarn needle, scissors, tape measure, stitch markers, pins, 3 wooden toggles with two holes, about 2 in (5 cm) long (holes of any size: they are sewn on with thread) and sewing thread and a sewing needle.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge.

Gauge

10 stitches and 6 rows to 4 in (10 cm) in basket weave.

Count every stitch, the plain ones at the edges too.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 16. Row 1 (RS): Dc in 3rd ch from hook and in each ch across. Row 2: Ch 2, turn; dc in next st, bpdc around next 4 sts, fpdc around next 4 sts, bpdc around next 4 sts, dc in next st. Rows 3 and 4: Ch 2, turn; dc in next st, fpdc around next 4 sts, bpdc around next 4 sts, fpdc around next 4 sts, dc in next st. Rows 5 and 6: Ch 2, turn; dc in next st, bpdc around next 4 sts, fpdc around next 4 sts, bpdc around next 4 sts, dc in next st. Rows 7 and 8: Ch 2, turn; dc in next st, fpdc around next 4 sts, bpdc around next 4 sts, fpdc around next 4 sts, dc in next st. Row 9: Ch 2, turn; dc in next st, bpdc around next 4 sts, fpdc around next 4 sts, bpdc around next 4 sts, dc in next st. The swatch of 9 rows is about 5½ in (14 cm) wide and 6 in (15 cm) high. Measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Single crochet rows of the cuffs, the bands, the edgings, the tabs and the pocket bags: 11.5 rows to 4 in (10 cm). Collar: 8.5 rows of half double crochet (UK: half treble) to 4 in (10 cm).

Notes

- The finished bust is from 8½ in (21.5 cm) to 9¼ in (23.5 cm) wider than the body measurement, by the size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The turning chain (ch 1 for single and half double crochet, ch 2 for double crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- Odd-numbered rows are right side rows. Mark the right side of each piece with a stitch marker or a scrap of yarn.
- The left front and the right front are named as worn. With the right side facing you, the rows of the left front begin at its side edge and end at its front edge, and the rows of the right front begin at its front edge and end at its side edge; on wrong side rows it is the other way about.
- Basket weave: blocks of 4 front post and 4 back post double crochet (UK: treble) change places after every 2 rows. On a wrong side row a stitch that should stand out on the right side is worked around the back post, so follow each row as it is written. The plain dc at the edges are worked in the tops of the sts.
- A decrease counts as one stitch.
- The last 4 rows of a front are narrower: the sts left free below them are the neck, and the neck edge of these rows has no plain dc.
- The foundation chain of every piece is its lower edge.
- Sew every seam with the yarn needle.
- Color changes in rows: work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again at the same edge within 6 rows and that edge is straight, carry it loosely up the edge.

Instructions

M, to fit bust 37 in (94 cm). US terms.

ch chain, **sl st** slip stitch, **sc** single crochet (UK double crochet), **hdc** half double crochet (UK half treble), **dc** double crochet (UK treble), **st** stitch.
RS right side, the one that shows.
[ ] 6 times: work what is inside 6 times in all.
(54 dc): the stitches you have when the row is done. **How to read a pattern**.

Special stitches

sc2tog (single crochet 2 stitches together (UK double crochet 2 together)): Insert the hook in the next stitch and pull up a loop, insert the hook in the following stitch and pull up a loop (3 loops on the hook); yarn over and pull through all 3 loops.

fpdc (front post double crochet (UK front post treble)): Yarn over, insert the hook from the front to the back and to the front again around the post of the stitch named, pull up a loop, [yarn over and pull through 2 loops] twice. The front is the side that faces you. A post stitch takes the place of the stitch it is worked around: do not work into the top of that stitch as well.

bpdc (back post double crochet (UK back post treble)): As fpdc, but insert the hook from the back to the front and to the back again around the post.

Assembly

1. Shoulders: lay the left front and the right front on the back with right sides together and the side edges level. Sew the 18 sts of row 34 of each front to the 18 sts at that end of row 34 of the back, one to one, with yarn A. The middle 18 sts of the back stay open for the neck.

2. Cuff: work one on each sleeve now, as written above. The 2 chs skipped at the beginning of row 1 are left out.

3. Sleeves: with right sides together, lay the middle of the top edge of a sleeve (row 20, 44 sts) at a shoulder seam, 22 sts to each side of it. Sew 22 sts to the ends of rows 22 to 34 of the back and 22 sts to the ends of rows 22 to 34 of the front, about 12 sts to every 7 row ends, with yarn A. Sew the second sleeve to the other side.

4. Sides, sleeves and pockets: with right sides together and yarn A, sew each side seam, the ends of rows 1 to 21 of the back to the ends of rows 1 to 21 of the front, row to row, but leave rows 8 to 16 open for the pocket. Sew each sleeve seam, row end to row end, from the underarm to the end of the cuff, the 8 rows of the cuff with yarn B. At each opening, with the jacket inside out, sew the 15 chs of the foundation chain of a pocket bag to the ends of rows 8 to 16 of the front, and the 15 sts of its row 32 to the ends of rows 8 to 16 of the back, about 5 sts to 3 row ends. Fold the bag in half, rows 1 to 16 on rows 17 to 32, and sew its two sides shut, row end to row end. The bag lies inside the front: sew its folded end to the wrong side of the front with a few stitches.

5. Lower band: work it now, as written above.

6. Collar: work it now, as written above.

7. Front edgings: work the right front edging and the left front edging, as written above.

8. Toggle tabs: each tab is sewn down with its 6 sts running across and its foundation chain below. On each front lay three tabs, right side up, with 2 sts of the front free between the tab and the front edge, the edging not counted, and with their foundation chains on the lines between rows 26 and 27, rows 17 and 18, and rows 8 and 9 of the front. Before a tab is sewn down, put the ends of its cord under it: on the right front fold a loop cord in half and lay its two ends under the tab, side by side, 1½ in (4 cm) deep, so that the fold points past the front edge; on the left front fold a toggle cord in half and lay its two ends under the tab, side by side, 1½ in (4 cm) deep, so that the fold lies toward the front edge. Pin the tab and sew it down all round with its own end, through the cord ends, so that they are held fast. Then lay a toggle upright on the fold of each toggle cord, right side up, so that the upper strand of the cord lies under its upper hole and the lower strand under its lower hole. Sew it on like a button, with the sewing thread doubled: up through the upper strand and the upper hole, down through the lower hole and the lower strand, 6 times. The cord itself does not pass through the holes.

9. To close, lay the two front edges side by side and put each toggle, one end first, through the loop across from it.
