Instructions

Adult. US terms.

ch chain, **hdc** half double crochet (UK htr), **sl st** slip stitch, **st** stitch.

Do not turn: the outside faces you all the time. The ch 1 is not a stitch. The first hdc goes **where the slip stitch went**.

Working in the round

(48 hdc): the round now has 48; a check, not a step. Not 48? **Pull it back**.

Also: yo yarn over.

Every stitch, drawn: flossfield.com/crochet/stitches.

Assembly

1. Lay the tube flat on a table, the ends of the yarn inside it. At each end 24 stitches lie on top and 24 below.

2. Last round: cut a length of A about 28 in (71 cm) long. Whip stitch the two layers together, 24 stitches on 24 stitches, and fasten off with the end inside.

3. Other end: cut a length of A about 28 in (71 cm) long. Whip stitch the two layers of the foundation chain together in the same way, 24 chains on 24 chains, under the free strands.

4. Make eight tassels, each of one strand of A and one strand of C held together. For one, wind the two strands 8 times round a card 4 in (10 cm) wide, slip a piece of A about 10 in (25 cm) long under all the strands at one edge of the card and tie it firmly, and cut the strands at the other edge. Wind a piece of C about 14 in (36 cm) long six times

round all the strands, about ¾ in (2 cm) below the tie, knot it and hide its ends inside.

5. Sew four tassels to each end with the ends of their ties: one at each corner and two between them, 2¼ in (5.5 cm) apart. Pull the ends of the ties into the tube and cut them.

Finishing

- Trim the tassels level.

In all: 176 rounds; 8,448 stitches.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 15 percent added.

Notes

- The ch 1 at the start of a round does not count as a stitch. The first hdc of a round goes into the same stitch as the joining sl st; the sl st itself is not worked into.
- The right side is the side that faces you as you work. Never turn the work.
- To change yarn between rounds, make the joining sl st at the end of the round before with the new yarn: put the hook in the first stitch, take the new yarn over the hook and pull it through. Cut the old yarn, leaving a tail of about 6 in (15 cm), and tie it to the tail of the new yarn inside the tube.
- The line of joins leans to one side as the tube grows, so that it winds slowly round the tube. Let it.
- Only the tails of the first and the last round can be woven in. Every other end stays inside the tube, tied to the one beside it and cut to about 2 in (5 cm).
- Whip stitch: with the yarn on a yarn needle, pass the needle under both loops of a stitch of the upper layer and under both loops of the stitch that lies under it, and pull the yarn through. Do the same in the next pair of stitches. Sew 2 or 3 times into the first pair and into the last.
- Leave a tail of about 6 in (15 cm) wherever a yarn begins and wherever it is cut, unless another length is given.
