Gauge

21 stitches and 11½ rows to 4 in (10 cm) in double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 1 the strip is about 12.4 in (31.5 cm) long. If yours is shorter, use a larger hook; if it is longer, use a smaller one.

Start with a chain as long as the hem, in a multiple of 6 chains plus 6; 10 repeats are in the size printed here. The other sizes follow the same rows with these numbers. Pillowcase, one side: ch 108; row 1, all the way across (107 sc); row 2, the brackets 35 times (72 dc, 35 ch-2 sps); rows 3 to 4, the brackets 35 times (72 dc, 35 ch-2 sps); row 5, the brackets 17 times (36 sc, 144 tr, 18 picots). Yarn A about 30 yd (27 m), B about 20 yd (18 m). Pillowcase, all round: ch 210; row 1, all the way across (209 sc); row 2, the brackets 69 times (140 dc, 69 ch-2 sps); rows 3 to 4, the brackets 69 times (140 dc, 69 ch-2 sps); row 5, the brackets 34 times (70 sc, 280 tr, 35 picots). Yarn A about 60 yd (55 m), B about 40 yd (37 m).

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row, so "next st" right after it is the second stitch.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them, or several of one stitch with one place after them, are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- The edging is about 12.4 in (31.5 cm) long and 1.9 in (4.8 cm) deep. It is worked lengthwise, from the hem of the pillowcase outward.

Instructions

Chosen: Small pillowcase, one side. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, cornflower blue cotton; B, white cotton.

Finishing

- Weave in the ends.
- Sew it on: lay the foundation edge over the hem of the pillowcase with both right sides up and pin it in place, easing it to fit. With the sewing needle and the sewing thread, sew the foundation chains down with small stitches, one in every second chain.
- For the all round length, first sew the two short ends of the strip together edge to edge with the sewing thread, then pin the ring to the hem with its seam at the seam of the pillowcase and sew it on in the same way.

In all: 5 rows; 307 stitches; 4 ends to weave in.
