You will need

Yarn A: soft lilac, piece and round 1 **about 50 yd (46 m), an estimate**
Yarn B: ivory, round 2, V-stitches **about 15 yd (14 m), an estimate**
Yarn C: mint, round 3, picot shells **about 25 yd (23 m), an estimate**
Hook: 5.5 mm (US I-9). Also: yarn needle, scissors and tape measure.
To work on: a finished rectangle of 21 stitches by 24 rows of single crochet, nearly square, already made. It is written out under Instructions.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. For another length of edge, the yarn for a side is in proportion to its length.

Gauge

13 stitches and 15 rows to 4 in (10 cm) in single crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After round 1 every side of the size printed below, measured between its two corner stitches and not counting them, is about 6.5 in (16.5 cm). If yours is smaller, use a larger hook; if it is larger, use a smaller one.

To fit a piece of your own, work round 1 so that every side has n stitches between two corner stitches, the corner stitches left out, where n is a multiple of 3 (to gain a stitch work 2 sc in one place, to lose one skip a place; spread them along the side). Divide n by 3: that is how many times the square bracket along a side is worked in rounds 2 and 3. What stands in the outer brackets, the corner and the side after it, is worked 3 times in every size; only the bracket inside it, along one side, changes. On an oblong piece the two longer sides have an n of their own: work each side by its own n. BABY BLANKET: the piece is 99 stitches by 115 rows: ch 100 to begin, row 1 ends with 99 sc, and rows 2 to 115 are worked in next 99 sts (99 sc). For the gauge, the 99 stitches between two corner stitches of round 1 are about 30.5 in (77.5 cm). Round 1: 97 sts, not 19, the bracket along the row ends 16 times, not 3, 97 chs, not 19; the round ends with 400 sc. Round 2: the bracket along a side 33 times, not 7; the round ends with 272 tr, 4 ch-3 sps, 132 ch-1 sps. Round 3: the bracket along a side 33 times, not 7; the round ends with 552 dc, 136 picots. Yarn: A about 950 yd (869 m), B about 55 yd (50 m), C about 95 yd (87 m). THROW: the piece is 159 stitches by 185 rows: ch 160 to begin, row 1 ends with 159 sc, and rows 2 to 185 are worked in next 159 sts (159 sc). For the gauge, the 159 stitches between two corner stitches of round 1 are about 48.9 in (124.2 cm). Round 1: 157 sts, not 19, the bracket along the row ends 26 times, not 3, 157 chs, not 19; the round ends with 640 sc. Round 2: the bracket along a side 53 times, not 7; the round ends with 432 tr, 4 ch-3 sps, 212 ch-1 sps. Round 3: the bracket along a side 53 times, not 7; the round ends with 872 dc, 216 picots. Yarn: A about 2,425 yd (2,217 m), B about 85 yd (78 m), C about 145 yd (133 m).

Before you start

- Every round is worked with the right side facing; do not turn. Round 1 begins in the right hand stitch of the last row (the top edge, RS facing), which is "first st"; it goes along the top, down the left side, along the foundation edge and up the right side.
- Corner stitch: the middle one of the 3 sc in a corner. The first corner of round 1 is begun with 2 sc and completed by the last sc of the round, which goes into the same place; its corner stitch is the first sc of the round.
- Along the row ends, round 1 skips the row end at each corner and then takes 6 stitches to every 7 rows. The foundation edge is the underside of the starting chain: work into what each chain has left free.
- A round that begins with "Join" is begun with a new yarn: fasten off the old one at the end of the round before. "First st" is then the stitch the round below began with, the corner stitch. "Any corner ch-3 sp" may be any of the 4 corners.

- Slip stitches and the stitch that joins a round are not counted.
- The ch 3 at the start of a round counts as a dc.
- The ch 4 at the start of a round counts as a tr.
- A ch 1 at the start of a round does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before a space and are not named are passed over and left unworked.
- Stitches in round brackets, or several of one stitch, are all worked into the one place named after them. The brackets at the end of a line hold its count.
- The yarn amounts are for this size. Yarn A is for the piece and round 1 of the border; where your own piece is finished already, round 1 takes about 10 yd (9 m) of it.
- The piece is 21 stitches by 24 rows of single crochet, about 6.5 in (16.5 cm) by 6.4 in (16.3 cm); with the border on it is about 10.1 in (25.7 cm) by 10.1 in (25.7 cm).
- Round 1 leaves 21 stitches between two corner stitches on every side.

Instructions

Chosen: Small square, with its border. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and tr is double treble.

Yarns in order of use: A, soft lilac; B, ivory; C, mint.
