Special stitches

picot: Ch 3, sl st in 3rd ch from hook. It leaves It leaves a small loop standing on the stitch before it. for the next row.

Gauge

15 stitches and 8 rows to 4 in (10 cm) in V-stitch, where each dc and each ch 1 counts as one stitch.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 8 the piece, laid flat, is about 4 in (10.2 cm) tall. If yours is shorter, use a larger hook; if it is taller, use a smaller one.

Every size in the list has all its own rows and counts. For a smaller or a larger size, work 12 rows of V-stitches fewer or more than in one of them, which keeps the stripes whole and ends on an odd row and on yarn C, as here; then work the row of picots, with its brackets once for every V of the row below. Twelve rows have 12 more V-stitches, so they add about 9.6 in (24.4 cm) to the top edge and about 6 in (15.2 cm) to the depth, and the fringe takes 12 more knots.

Before you start

- The ch 3 at the start of a row counts as a dc; the last stitch of the next row is worked into the top of it. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- The ch 4 at the start of a row counts as a dc and a ch-1 sp. The stitch that closes over it goes into its 3rd chain. The chain stands on the first stitch of the row: "same st" right after it is that stitch, and "next st" is the one after it.
- A ch 1 at the start of a row does not count as a stitch.
- A stitch worked into a chain space goes into the open space under the chain, not into a chain stitch. Stitches that lie before the space are passed over and left unworked.
- Stitches in round brackets with a place after them are all worked into that one place. The brackets at the end of a row hold its count.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- To change color, work the last stitch of the old color until two loops are left on the hook and draw the new color through them. Cut the old color, leaving a tail of about 6 in (15.2 cm), and fasten in a fresh piece each time: the yarn amounts and the ends to weave in are counted this way.
- About 36.5 in (92.7 cm) across the top edge and 22.7 in (57.7 cm) deep, without the fringe.
- 45 rows of V-stitches in three-row stripes, yarns A to D in turn, and one row of single crochet and picots in yarn A along the top.
- A V-stitch here is (dc, ch 1, dc) in one place.

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Yarns in order of use: A, deep teal; B, jade; C, honey; D, brick red.

Finishing

- Fringe: 45 knots, one round the end stitch at each end of every even row (rows 2, 4, 6 and so on to 44) and one in the ring at the point. Cut 135 pieces of yarn A, each 10 in (25.4 cm) long. For each knot hold 3 pieces together and fold them in half, draw the fold from back to front round the end stitch or through the ring, pass the ends through the fold and pull snug. Trim the fringe level at about 4 in (10.2 cm).
- Weave in the ends.

In all: 46 rows; 2,297 stitches; 32 ends to weave in.
