How to read it

Floss has six strands: cut 18 inches (45 cm), pull out the number named one at a time, and lay them together.

Start with a small knot on the back; end under a few stitches.

Onto the fabric

Fabric you can see through: page 2 taped to a sunny window, the fabric over it; trace.

Other fabric: dressmaker's carbon paper, colored side down, page 2 on top; trace with a ballpoint.

Iron-on pen: go over page 3, the mirrored page, and press it ink side down as the pen's packet says. The lines stay.

Then hoop it, inner ring under, tight as a drum.

Buy: one skein of each color (an estimate from the drawing's lines and shapes), an embroidery needle size 7, a 6 inch (15 cm) hoop, a 9 inch (23 cm) square of white or light cotton or linen, a water-soluble pen.

Square Celtic knot

6 inch hoop

Print at 100% and measure the square. Trace the black lines only. The gray ring is the hoop: fold the fabric in four and lay the folds on its ticks.

On the drawing a ring is one French knot: mark a dot; a loop is one lazy daisy, begun at its point.
