Standard · US terms

Finished size
About 50¼ × 61¼ in (128 × 156 cm)

Skill
Easy
A short repeat, bands of color

Yarn
Bulky (5), 4 colors

Hook
6.5 mm (US K-10 1/2)

Gauge
10 stitches and 5¾ rows to 4 in (10 cm)
In V-stitch.

You will need

Yarn A: white, stripes	**about 775 yd (709 m), an estimate**
Yarn B: coral, stripes	**about 300 yd (274 m), an estimate**
Yarn C: yellow, stripes	**about 250 yd (229 m), an estimate**
Yarn D: aqua, stripes	**about 250 yd (229 m), an estimate**

Hook: 6.5 mm (US K-10 1/2). Also: yarn needle, scissors and tape measure.

To find how many balls: divide by the length on your yarn's label and round up. The estimate is from the stitches and chains of this size at this gauge, with 30 percent added. To measure your own: work the test piece and measure it, mark the yarn where it begins and ends, pull it out and measure the yarn it took; divide by the area of the piece and multiply by the area of the blanket. That is the yarn of the stitches, all the colors together: add 6 in (15 cm) for each end to weave in, and some to spare.

Special stitches

V-st (V-stitch): (dc, ch 1, dc) in the same st or sp. It leaves 1 dc, 1 ch-1 sp and 1 dc for the next row.

Gauge

10 stitches and 5¾ rows to 4 in (10 cm) in V-stitch. Along a row, count every stitch and every chain between stitches as one.

10 stitches and 5.75 rows to 4 in (10 cm) over V-stitch, each V-st counted as three stitches

The pattern also stops you to measure after row 12.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Make the test piece first, in A alone: 9 rows, about 5.6 in (14.2 cm) wide and 6.3 in (16 cm) tall.

For another width, add or take away 3 chains at a time: each 3 chains adds one more repeat. Measure your own gauge first. The counts of the border change with it: between the corners, one stitch in every stitch and ch-1 sp of the last row and in every chain of the foundation.

Before you start

- The ch 3 at the start of a row counts as a dc and stands on the first st. The last stitch of the next row is worked into the top of it.
- A stitch worked into a chain space passes over any stitches that lie before the space; they are left unworked.
- Row 1 passes over four chains at its start. The three nearest the hook stand as its first dc: in row 2 the "top of turning ch" is the one of them made last, right next to the hook when row 1 began. The fourth is left unworked, like the chains skipped between one group and the next.
- The foundation edge, for the border, ends under the first dc of row 1: its "last ch" is the 3rd ch from the hook of row 1, the lowest of the three that stand as that dc.
- Row 1 is the right side.

- In the stitch total of the blanket each V-st is counted as one stitch; along the last row, for the border, it is three places: a dc, a ch-1 sp and a dc.
- Where a row begins "With" a yarn, change to that yarn in the last yarn over of the last stitch of the row before, so that the turning chain and the whole row are in the new yarn.
- Every band is an even number of rows, so every color changes at the same side edge, the one where the right side rows begin. At the end of a band look down the color sequence to the next band of the same yarn. If four rows or fewer lie between, do not cut the yarn: let it hang at that edge, and each time you are back there lay it over the working yarn once, so that it is held loosely against the edge and does not pull. If more than four rows lie between, or no band of it is still to come, cut it, leaving a tail of about 6 in (15 cm). Join every new yarn, and every yarn that was cut and comes again, with a tail of the same length. The border is not a band: join its yarn afresh, and work the stitches of that side edge over the carried strands.
- Leave a tail of about 6 in (15 cm) when you begin, and weave it in at the end with the others.
- Where several of one stitch are named with one place, all of them are worked into that place.
- The border is worked in the round with the right side facing, three single crochets in every corner. Do not turn between rounds. The ch 1 at the start of a round does not count as a stitch. Join every yarn of the border with a tail of about 6 in (15 cm). From round 2 on, the "first st" is the first sc of the round before.
- Along the foundation, for the border, work one stitch in each chain, whether row 1 used it or not. The "first ch" is the one under the last stitch of row 1.
- Where a border round begins by joining another yarn, first fasten off the yarn of the round before, leaving a 6 in (15 cm) tail.
- This size has 48 ends to weave in.
- The last row, row 86, is a wrong side row: when it is fastened off, turn the piece, so that the right side faces you for the border. The border's "first st" is then the stitch made last in row 86, at its right-hand end, and its "last st" is the top of the ch that began that row.

Instructions

Chosen: Standard. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet and dc is treble.

Finishing

- Weave in the ends: each end into stitches of its own color, on the wrong side, turning back once.
- Lay the blanket flat, pat it square and let it rest; a light steam held above it, or a damp cloth left to dry on it, settles the rows.

In all: 2 pieces; 48 ends to weave in.
