Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

sc	single crochet (UK dc, double crochet)
sc2tog	single crochet 2 stitches together, through the front loops only: how is under “Before you start” (UK dc2tog, double crochet 2 stitches together)
MR	magic ring
RS	right side
Rnd	round
st	stitch
BLO	back loop only
yo	yarn over (UK yrh, yarn round hook)

Special stitches

bobble: [yarn over, insert hook in the stitch, pull up a loop, yarn over, pull through 2 loops] 4 times in the same stitch, yarn over, pull through all 5 loops (United Kingdom: a bobble of 4 trebles). Push it out to the right side. It leaves 1 st for the next round.

Gauge

27 stitches and 29.7 rounds to 4 in (10 cm) in single crochet, in a spiral.

To check it, work a flat circle: 6 sc in a magic ring, then 6 more sc in each round (12, 18, 24, 30, 36). After round 6 it should measure about 1 5/8 in (4.1 cm) across. The stitches should be tight enough that the stuffing does not show.

Use any hook that gives you this. If you count more stitches than this in 4 in (10 cm), change to a larger hook; if you count fewer, to a smaller one.

Before you start

- Every piece is worked in a continuous spiral with the right side facing you: do not join and do not turn. Put the marker in the first stitch of each round and move it up.
- Square brackets hold a repeat; work it as many times as the line says. The number in parentheses is the count at the end of the round.
- Magic ring: wrap the yarn round two fingers, work round 1 into the loop and pull the tail to close it. Or chain 2 and work round 1 into the first chain.
- Color change: where a line begins "With D," (or another letter), work the last pull-through of the round before it in D. Cut the old yarn and knot the ends on the wrong side.
- Center line: places on a piece are given by round and by stitches from a center line. It is half way round from where the rounds begin. Mark it with a pin or a scrap of yarn as listed here, run it straight from round 1 to the last round by eye, and count out from it along the round, in stitches and half stitches.
- Berry doll: the center line runs between stitches 15 and 16 of round 8 (30 sts). It faces the front, round 1 at the bottom.
- Pine doll: the center line runs between stitches 15 and 16 of round 8 (30 sts). It faces the front, round 1 at the bottom.
- Gold doll: the center line runs between stitches 15 and 16 of round 8 (30 sts). It faces the front, round 1 at the bottom.

- Right and left are as you look at the front of the doll. Rounds are counted from the start of each piece.
- In every step of putting it together: where a piece meets or overlaps another, sew through both. Where no tail is left or a tail is too short, sew with a new length of the yarn of the piece you are putting on.
- To work sc2tog, put the hook under the front loop only of each of the next 2 stitches, yarn over, pull through both loops, yarn over, pull through 2 loops.
- For a child under three, or a pet, embroider the eyes instead: satin stitch dots of the same size in H (dark brown).
- The rounds and stitches are the same for every size; the yarn and the hook make the difference. Lengths in the words (tails, ovals, details) are for Standard, the size written here: for another size multiply them by the number in its line.
- Large: medium (4, worsted) yarn, 3.5 mm (E-4) hook, 20 sc and 22 rounds to 4 in (10 cm): each doll about 4½ in (11.5 cm) tall with the pompom; eyes 8 mm; multiply lengths by 1.4; about 1.4 times the yarn.

Instructions

Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sc is double crochet.

Assembly

Berry hat: 2 berry pompom

Pine hat: 4 pine pompom

Gold hat: 6 gold pompom

A number is the step below that puts it on; a letter is put on under Finishing. Each line is a round, counted as the rounds are worked. The upright broken line is the center line. A place with a broken edge is on the far side.

1. Pull the berry hat over the head of the berry doll, the middle of its round 1 at the back, on round 24 of the doll, on the line opposite the center line. Its edge lies on round 22 on the center line in front, on about round 19 at the two sides (7 stitches from the center line) and on round 16 at the back, just above the neck. Pin it and sew all 34 stitches of the edge down.

2. Pin the berry pompom to the berry hat: the middle of the open edge lies over the middle of round 1 of the berry hat. The edge (8 sts) lies all the way round on about round 1. It points up and back. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

3. Pull the pine hat over the head of the pine doll, the middle of its round 1 at the back, on round 24 of the doll, on the line opposite the center line. Its edge lies on round 22 on the center line in front, on about round 19 at the two sides (7 stitches from the center line) and on round 16 at the back, just above the neck. Pin it and sew all 34 stitches of the edge down.

4. Pin the pine pompom to the pine hat: the middle of the open edge lies over the middle of round 1 of the pine hat. The edge (8 sts) lies all the way round on about round 1. It points up and back. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

5. Pull the gold hat over the head of the gold doll, the middle of its round 1 at the back, on round 24 of the doll, on the line opposite the center line. Its edge lies on round 22 on the center line in front, on about round 19 at the two sides (7 stitches from the center line) and on round 16 at the back, just above the neck. Pin it and sew all 34 stitches of the edge down.

6. Pin the gold pompom to the gold hat: the middle of the open edge lies over the middle of round 1 of the gold hat. The edge (8 sts) lies all the way round on about round 1. It points up and back. Sew all the way round with the tail, adding a little stuffing before the last few stitches if the edge is still soft.

Finishing

- Put in the plastic eyes when the words of a piece say so, or embroider eyes in the same places with the other details. Embroider with one strand of yarn and the yarn needle when the pieces round the place are sewn on; begin and end each strand inside the toy. Satin stitch is straight stitches side by side until the shape is filled. Backstitch is a line of short stitches end to end: bring the needle up one stitch ahead, put it down at the end of the stitch before, and repeat.
- Eyes: on each doll, two 6 mm black plastic eyes on round 20, one to each side, 3 stitches from the center line (6 stitches apart).
- Cheeks: with J (rose), in satin stitch, on each doll, an oval about 3/16 in (5 mm) wide and 1/8 in (3 mm) tall, its middle on round 18, one to each side, 4½ stitches from the center line (9 stitches apart).
- Mouth: with H (dark brown), in backstitch, on each doll, a smile, one curve about 3/16 in (5 mm) wide that dips 1/8 in (3 mm) below its ends. Its two ends are on round 18, one to each side of the center line.
- Buttons: with D (cream), in satin stitch, two round dots, each about 1/8 in (3 mm) across, on the center line of the gold doll, one on round 10 and one on round 12.
- Weave every tail through the toy and trim it. For a toy that will be played with, go round each seam a second time with a new length of yarn. Check the seams and small parts from time to time.

In all: 9 pieces; 2,931 stitches.
