Tunisian stripe triangle shawl

Shoulder shawl · US terms

Finished size
About 58½ × 28½ in (149 × 72 cm)

Skill
Intermediate
Tunisian simple stitch, an increase and a decrease, changing color, an edging in rounds

Yarn
Light (3), 3 colors

Hook
6 mm (US J-10)

Gauge
15 stitches and 14 rows to 4 in (10 cm)
In Tunisian simple stitch.

You will need

Yarn A: mauve heather, main	**about 900 yd (823 m), an estimate**
Yarn B: cream, first stripe	**about 145 yd (133 m), an estimate**
Yarn C: teal, second stripe and edge	**about 180 yd (165 m), an estimate**

Hook: 6 mm (US J-10), or the size that gives you the gauge. Also: yarn needle, scissors, tape measure, for the rows, a Tunisian hook of that size with a cord, as it holds all the stitches of a row and pins that do not rust and a padded board to pin into.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. Yarns A and C: the estimate is from the stitches and chains of this size at this gauge, with 30 percent added. Yarn B: the estimate is from the stitches of this size at this gauge, with 30 percent added.

Sizes

Size	Finished size, about	Yarn, an estimate
Kerchief	37¾ × 19 in (96 × 48 cm)	about 545 yd (498 m)
Shoulder shawl (this file)	**58½ × 28½ in (149 × 72 cm)**	**about 1,225 yd (1,120 m)**
Full shawl	72 × 35 in (183 × 89 cm)	about 1,850 yd (1,692 m)

Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

ch	chain stitch
sl st	slip stitch (UK ss, slip stitch)
sc	single crochet (UK dc, double crochet)
dc	double crochet (UK tr, treble)
rnd	round
RS	right side
st	stitch
yo	yarn over (UK yoh, yarn over hook)

Special stitches

Tss (Tunisian simple stitch): Insert the hook from right to left (from left to right if you are left handed) behind the next front vertical bar, yo and pull up a loop, and keep the loop on the hook. Working along a row so is the forward pass; "return" at the end of a row is the return pass, worked back without turning: yo and draw through 1 loop, then [yo and draw through 2 loops] until 1 loop is left on the hook. It leaves 1 Tss for the next row or round.

Tfs (Tunisian full stitch): The increase: insert the hook from front to back into the space between the st just worked and the next front vertical bar, under the threads that run level across the space, yo and pull up a loop, and keep the loop on the hook. Like a stitch worked in the air it uses no stitch of the row below. It leaves 1 Tfs for the next row or round.

Tss2tog (Tunisian simple stitch 2 together): The decrease: insert the hook from right to left (from left to right if you are left handed) behind the next 2 front vertical bars together, yo and pull up one loop, and keep the loop on the hook. It leaves 1 Tss for the next row or round.

picot: Ch 3, sl st in 3rd ch from hook. Nothing is worked into the picot, and it uses no stitch of the row below.

Gauge

15 stitches and 14 rows to 4 in (10 cm) in Tunisian simple stitch.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 28 the straight edge, from the chains to the last row, is about 8 in (20.3 cm) long, and the last row is about 7.7 in (19.6 cm) across its 29 stitches. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. For another size change the widest row by 12 stitches at a time (77, 89, 101, 113 and so on): work 12 increase rows and 12 decrease rows more or fewer, which is about 6.9 in (17.5 cm) more or less across the top edge and 3.2 in (8.1 cm) in depth. The stripes go on in the same order. In the edging the straight edge then has 24 sts more or fewer, and each pair of square brackets is worked 4 times more or fewer. With the same gauge it takes yarn in proportion to the number of stitches.

Before you start

- Where several stitches have one place after them, as in "5 dc in next st", they are all worked into that one place.
- What is in square brackets is worked as many times as the number after them says, in all.
- The right side faces you in every row: do not turn at any time. A row is a forward pass, from the straight edge to the slanted one, and a return pass back again. Its count is the loops on the hook at the end of the forward pass.
- The loop that is on the hook when a row begins is its first stitch, so the first front vertical bar, right at the edge below it, is passed over. "Last st" is the bar at the very end: put the hook under that bar and the thread beside it, two strands, so that the edge is firm.

- In row 1 there are no bars yet. The loop on the hook stands on the first ch from the hook; for the Tss insert the hook in the 2nd ch, yo, pull up a loop and keep it on the hook.
- Yarns B and C are used for one row at a time and are not cut between their stripes; each is cut once, after its last row. Change yarn in the return pass of the row before: when two loops are left on the hook, draw the new yarn through both. "With B" at the start of a row names the yarn now on the hook, and that row and the rows after it are worked in it until another yarn is named. Leave the yarn that is not in use hanging on the wrong side at the straight edge, and lay it loosely up that edge to where it is used next; the edging is worked over these strands.
- Edging: the right side faces you, and you do not turn. The end of each row counts as one st, worked into under two strands; so does each tip, worked between its two stitches, and the point, which is the end of the widest row. Hold the straight edge at the top. The first st is the end of row 1 on the straight edge, which is at the right (at the left if you are left handed); go along the straight edge to the end of the last row, then round as the foundation line says.
- In round 1 the ch 3 counts as a dc. At its end fasten off yarn A. In round 2 yarn C is joined in the top of that ch 3, which is the first st, and the ch 1 does not count. A picot stands on the sc just worked.
- About 58.4 in (148.3 cm) across the top edge from tip to tip and 28.5 in (72.4 cm) deep to the point, with the edging and without the picots.
- 199 rows. Yarn B: row 4 and then every eighth row to row 196. Yarn C: row 8 and then every eighth row to row 192. Yarn A: all the other rows. Row 100 is the widest, with 101 stitches; from row 101 on every row has one stitch less than the row below.
- Row 192 is the last row of yarn C and row 196 the last row of yarn B: when row 192 is done cut yarn C, and when row 196 is done cut yarn B, each with a tail of about 6 in (15.2 cm). Yarn A goes on to the bind off. Yarn C is joined again for round 2 of the edging.

Instructions

Chosen: Shoulder shawl. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble and yo is yarn over hook.

Edging

Yarns in order of use: A, mauve heather; C, teal.

☐ **Foundation**	The outer edge of the shawl: 400 sts round, the ends of 199 rows along the top edge, the tip where you ended, the ends of 99 rows down the first slanted edge, the point, the ends of 99 rows up the second slanted edge, and the tip where you began.
☐ **Rnd 1**	Join A with sl st in first st, ch 3 (counts as dc), dc in next 198 sts, 5 dc in next st, **[**dc in next 2 sts, 2 dc in next st**] 33 times**, 3 dc in next st, **[**2 dc in next st, dc in next 2 sts**] 33 times**, 5 dc in next st, sl st in top of ch-3 to join **(476 dc)**
☐ **Rnd 2**	Join C with sl st in first st, ch 1, sc in first st, sc in next 198 sts, sc in next 3 sts, picot, sc in next 2 sts, **[**sc in next 2 sts, picot, sc in next 2 sts**] 33 times**, sc in next 2 sts, picot, sc in next st, **[**sc in next 2 sts, picot, sc in next 2 sts**] 33 times**, sc in next 3 sts, picot, sc in next 2 sts, sl st in first sc to join **(476 sc, 69 picots)**
☐ **End**	Fasten off.

Finishing

- Weave in the ends.
- Wet the shawl, press the water out in a towel and pin it out to size on the padded board, with the top edge straight and a pin in every picot. Let it dry: this takes out what is left of the curl.

In all: 2 pieces.
