Special stitches

bobble: (yo, insert hook in the stitch, yo and pull up a loop, yo and draw through 2 loops) 4 times in the same stitch, yo and draw through all 5 loops on the hook. It leaves 1 bobble for the next row.

Gauge

13 stitches and 11 rows to 4 in (10 cm) in half double crochet.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. After row 12 the back, laid flat, is about 4.4 in (11.2 cm) from the foundation edge to the last row. If yours is smaller, use a larger hook; if it is larger, use a smaller one.

Each size in the list is printed in full when it is chosen. The borders are counted stitch by stitch for the rows of each size, so the rows of the back and the fronts are not to be changed. For more or less length round the waist make the two ties longer or shorter, both alike.

Before you start

- The ends of rows: the first hdc goes into the first stitch, at the foot of the ch 1, and the last one into the last stitch of the row below.
- hdc2tog: (yo, insert hook in the next st, yo and pull up a loop) 2 times, yo and draw through all 5 loops on the hook. At the start of a row the first of its two stitches is the first st of the row, and at the end the second is the last st.
- Bobbles are worked on wrong side rows and stand out on the right side: push each one through as you work the next stitch. They stand 4 stitches apart, and in the next wrong side row they stand midway between those of the last one, also where a front goes on from the back, so that every four of them mark a small diamond. Where a front is only 7 or 5 stitches wide, near its end, there is room for one bobble in the middle of every second wrong side row, and the wrong side row between has none.
- The first row of a front and of a border begins with a slip stitch that joins the yarn; the ch 1 and the first stitch after it are worked in the place you joined in.
- A ch 1 at the start of a row does not count as a stitch.
- Where several stitches have one place after them, as in "2 sc in next st", they are all worked into that one place.
- What is in square brackets is worked as many times as the number after them says, in all.
- Row 1 is a right side row. Turn once between rows: the word "turn" near the start of each row is that turn.
- The back is about 5.2 in (13.2 cm) wide at its foundation edge, 16.3 in (41.4 cm) wide at the shoulders and 13.8 in (35.1 cm) long. Each front is about 5.2 in (13.2 cm) wide at the shoulder, 1.5 in (3.8 cm) at its end and 26.2 in (66.5 cm) long, without its tie. The outer border adds about 1.1 in (2.8 cm) and the neck border about 0.5 in (1.3 cm) to the edges they are worked on.
- To choose a size, measure from the top of one shoulder across the chest to the other side of the waist: a front (without its tie) is meant to reach at least that far, and with the tie round to the back. The fronts without their ties are: S to M, about 26.2 in (66.5 cm); Girl, 6 to 10 years, about 20.4 in (51.8 cm); L to 2X, about 33.5 in (85.1 cm).
- Work the back first, from the waist to the shoulders, 38 rows. Odd rows from row 3 on have 2 hdc in the first and 2 hdc in the last stitch; even rows have the bobbles.

For your own crochet, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.

- The fronts are worked on the last row of the back, with the right side facing you. First front: the first st is the stitch at the right end of that row; work over the 17 sts from there. Second front: skip the next 19 sts of the back (they are the neck); the first st is the one after them, and the front takes the last 17 sts. Both fronts are worked from the same lines, and decrease at both ends of rows 25, 33, 41, 49, 57 and 65.
- For the borders lay the piece flat, right side up, the fronts pointing away from you. One st of the edge means one stitch set through the edge stitch of one row, round its post, or through one chain of the foundation edge, or in one stitch of the neck.
- The outer border begins at the far end of the front on the left. Its 237 sts are: the edge stitch of each of the 72 rows of that front, from row 72 down to row 1, along its outer side; of each of the 38 rows of the back, from row 38 down to row 1; the 17 chains of the foundation edge; the 38 rows of the back on the other side, from row 1 up; and the 72 rows of the front on the right, from row 1 to row 72. The ends of the fronts are left without a border.
- The neck border begins at the far end of the front on the right and goes along the inner sides. Its 163 sts are: the edge stitch of each of the 72 rows of that front, from row 72 down to row 1; the 19 sts of the neck; and the 72 rows of the front on the left, from row 1 to row 72.
- To wear it, lay the back over your shoulders with its right side out. Cross the fronts over the chest, carry each tie round the waist to the back, over the lower end of the back piece, and tie them there in a bow.

Instructions

Chosen: S to M. Square brackets [ ] hold a repeat: work what is inside as many times as it says. The count in round brackets at the end of a line is what that line leaves. Tick the box when a row is done. In UK terms sl st is slip stitch, sc is double crochet, hdc is half treble, dc is treble, hdc2tog is half treble 2 stitches together and yo is yarn over hook.
