Lace votive candle cozies, set of three

Small · US terms

Finished size
About 4¼ × 3 in (11 × 8 cm)
About 8½ in (21.5 cm) round, not stretched, and 3 in (7.5 cm) tall each. To fit a straight glass 8½ in (21.5 cm) to 9½ in (24 cm) round and at least 3 in (7.5 cm) tall

Skill
Easy
They are small tubes in joined rounds, with a little lace, and three snowflakes are sewn on.

Yarn
Super fine (1), 2 colors

Hook
2.25 mm (US B-1)

Gauge
28 stitches and 30 rounds to 4 in (10 cm)
In single crochet.

You will need

Yarn A: white, the snowflakes, the fern cozy and the arches cozy **about 90 yd (82 m), an estimate**
Yarn B: forest, the snowflake cozy **about 45 yd (41 m), an estimate**
Fiber: mercerized cotton

Hook: 2.25 mm (US B-1), or the size that gives you the gauge. Also: 3 stitch markers, a yarn needle, scissors, 3 straight glasses, all of one size and 3 battery candles that fit into the glasses.

To find how many balls: divide by the length on your yarn's label and round up. Buy them from one dye lot. The estimate is from the stitches of this size at this gauge, with 30 percent added.

Sizes

Abbreviations

Written in US terms. Where the UK name differs it is given beside the US one.

ch	chain stitch
sl st	slip stitch (UK ss, slip stitch)
sc	single crochet (UK dc, double crochet)
dc	double crochet (UK tr, treble)
yo	yarn over (UK yrh, yarn round hook)
st	stitch
sp	space
sk	skip (UK miss)
rnd	round
RS	right side

Special stitches

cl (Cluster): [yo, insert hook in the place named, yo, pull up a loop, yo, pull through 2 loops] 3 times in that one place, yo, pull through all 4 loops on hook. It leaves 1 cl for the next round.

Gauge

28 stitches and 30 rounds to 4 in (10 cm) in single crochet.

28 stitches and 14 rounds to 4 in (10 cm) in double crochet, worked in the round. The rounds of clusters have as many rounds to 4 in (10 cm) as double crochet, and the 9 rounds of arches, pulled out straight as they lie on the glass, are together about 2 in (5 cm) high. Use size 5 crochet thread, or another fine thread that gives this gauge.

Check your gauge on the piece. Begin the pattern and measure the piece itself as you go. The gauge is checked on the piece itself: after round 1 the tube should measure about 8½ in (21.5 cm) around, laid flat and not stretched, measured across and doubled. If the piece measures more than that, begin again with a smaller hook; if it measures less, with a larger hook.

Before you start

- Join the foundation chain into a ring with a slip stitch, and take care that it is not twisted. Work the first single crochet (UK double crochet) of round 1 into the first chain, the one that has the slip stitch in it, and one into each of the other chains; the slip stitch itself is not worked into.
- The right side, the outside, faces you in every round. The chain of 1 or 2 at the start of a round does not count as a stitch. Each round is joined with a slip stitch in its first stitch, and the first stitch of the next round goes into that same stitch, unless the round begins with a slip stitch or passes that stitch over.
- The snowflake cozy. In a round of holes a chain of 1 is worked over a stitch that is passed over. In the round after it, work one stitch into each double crochet and one into each chain-1 space.
- Where a round begins with a slip stitch, work it from the join into the chain space just beside it, under the chain, and then work the first stitches of the round into that same space. The slip stitch is not counted.
- The snowflakes. In round 1 every double crochet goes into the ring, the first one right after the chain of 2. In round 3 each point has three loops in one space, a long one between two short ones, and the single crochet between two points goes into the chain-1 space.
- The ferns. Each pair of clusters goes into the chain-3 space between the two clusters below, so the pairs stand above one another like the leaves of a fern. The chain of 1 between two ferns is passed over.

- The arches. Each arch is a chain of 5 between two single crochet, and lies between two arches of the round below. The single crochet between the arches are passed over, in the first round of the rim too, where the stitch the round was joined in is passed over first.
- Picot: (sc, ch 3, sc) in one stitch makes a small loop, the picot, between its two single crochet.
- Choose the size by the girth: measure round your glass. The small size is for 8½ in (21.5 cm) to 9½ in (24 cm), the medium for 9½ in (24 cm) to 10¼ in (26 cm), the large for 10¼ in (26 cm) to 11¼ in (28.5 cm). The glass is to have straight sides, the same all the way up, and to be at least as tall as the cozy.
- For a battery candle only. Never put a flame in the glass or beside the cozies.

Instructions

Chosen: Small. Square brackets [ ] hold a repeat: work what is inside as many times as it says. Round brackets ( ) inside a line hold stitches that all go into one place. The count in round brackets at the end of a line is what that line leaves. Tick the box when a round is done. In UK terms sl st is slip stitch, sc is double crochet, dc is treble, yo is yarn round hook and sk is miss.

Assembly

1. Weave in all the tails along solid stitches on the wrong side, but leave the long tail of each snowflake.

2. The snowflakes. Lay the snowflake cozy with its right side out, the foot toward you. The middle of each snowflake lies on round 6, the fourth of the seven rounds between the rounds of holes. Put a marker in the first stitch of round 6, one in the 21st and one in the 41st: three markers, 20 stitches apart. Lay a snowflake, right side up, with the middle of its ring on each marked stitch and one point straight up, and take the marker out. With its tail, which is run along the wrong side of the snowflake where it must move, sew it down at the six long loops, one stitch over the tip of each loop and through the cozy, and with one stitch over each double crochet of round 1. Fasten off on the wrong side of the cozy and weave the end in.

3. Turn each cozy so that its right side is outside. Dampen it, draw it over the glass with its foot level with the foot of the glass, pull the picots up to points and the stitches straight, and let it dry on the glass.

Finishing

- Set a battery candle in each glass.

In all: 6 pieces.
