Gauge

13 stitches and 10 rows to 4 in (10 cm) in griddle stitch.

> **The swatch.** A test piece to measure and pull out. It is not the start of the pattern. Ch 21. Row 1 (RS): Sc in 2nd ch from hook and in each ch across. Rows 2 to 15: Ch 1, turn; [sc in next st, dc in next st] 10 times. The swatch of 15 rows is about 6¼ in (16 cm) wide and 5¾ in (14.5 cm) high. Measure 4 in (10 cm) in the middle. Use a larger hook if your swatch is small, a smaller one if it is large. Single crochet rows of the edges, bands and flaps: 15 rows to 4 in (10 cm). Collar: 11 rows of half double crochet (UK: half treble) to 4 in (10 cm).

Notes

- The finished bust is from 6¾ in (17 cm) to 8¼ in (21 cm) wider than the body measurement, by the size. Choose by the finished measurement you like; no fit is promised beyond the measurements given.
- The turning chain (ch 1 for single and half double crochet) never counts as a stitch. Work the first stitch of every row into the first stitch, at the base of the turning chain.
- Odd-numbered rows are right side rows (for the fronts, go by the words at their head). Mark the right side of each piece with a stitch marker or a scrap of yarn.
- Griddle stitch: every row is single crochet and double crochet by turns. From the second griddle row on, work a single crochet in each double crochet and a double crochet in each single crochet. Every row begins with ch 1, which is not a stitch, and with a single crochet, and ends with a double crochet. Let the sc of a row stand as tall as the dc beside it.
- The three yarns follow one another row by row, so that each waits at the edge where it is needed again 3 rows later: carry it up loosely. For the note on color changes below, the slanting edges of the sleeves count as straight. Only at the neck of a front some yarns are cut and joined again: the rows are named there.
- In an increase row work the 3 sts named in the first st and in the last st: each end grows by 2 sts and the stitch pattern goes on.
- To work into a chain space, insert the hook under the whole chain.
- Where stitches are worked evenly along row ends, spread them along the whole edge: about 5 sc in every 4 rows of griddle stitch.
- Sew every seam with the yarn needle and yarn A, but each pocket flap with its own long end.
- Color changes in rows: work the last yarn over of the last stitch of the row before with the new yarn. Cut the old yarn, leaving an end of about 6 in (15 cm), or, if it is needed again at the same edge within 6 rows and that edge is straight, carry it loosely up the edge.

When a front is done, mark its outside: in the bands, the collar and the finishing 'right side' means the outside. Rows 42, 44 and 46 begin at the neck edge, some sts away from where their yarn waits: cut that yarn and join it again at the neck edge. With yarn A, ch 35. Colors: rows 1 to 4 yarn A; then, counted from row 5: 1 row yarn B, 1 row yarn C, 1 row yarn A; repeat these 3 rows to the end (the last repeat may stop part way).

Assembly

1. Shoulders: lay the fronts on the back with right sides together and the side edges level. Sew the 24 shoulder sts of each front to the 24 sts at each end of the back, and leave the middle 24 sts of the back open for the neck.

2. Pocket flaps: lay a flap, right side up, on the right side of each front, with the foundation chain of the flap on the line between rows 36 and 37 of the front and the flap below that line, and 10 sts of the front free on each side of it. Sew the 14 chs of its foundation chain to the front. Leave its sides and its lower edge loose.

3. Bands: work the button band and the buttonhole band, as written above.

4. Collar: work it now, as written above.

5. Sleeves: place a marker on each side edge of the body 8¼ in (21 cm) below the shoulder seam (about 21 rows), front and back; this is half the top edge of the sleeve. With right sides together, put the middle of the top edge of a sleeve at each shoulder seam and sew the top edge to the body between the markers.

6. Sides and sleeves: sew each side seam from the marker down to the lower edge, and each sleeve seam from the underarm to the lower edge of the sleeve.

7. Buttons: with the sewing thread, sew 4 buttons to the button band opposite the buttonholes, and 1 button to the middle of each pocket flap, through the flap and the front together, about 1 in (2.5 cm) above the lower edge of the flap.

Finishing

- Weave in all the ends. Wash as the yarn label says and lay flat to the measurements to dry.

In all: 11,192 stitches (3,456 in the back, 1,564 in each front, 1,716 in each sleeve, 104 in each pocket flap, 200 in the button band, 188 in the buttonhole band, 580 in the collar).
