Stitches

- **Back stitch**, 2 strands
  Snowflake lines
- **French knot**, 6 strands, two wraps
  Center knot

Three ways to transfer the pattern

1. **Fabric you can see through**
   Tape page 3 to a sunny window or lay it on a light box, tape the fabric over it and trace the lines with a sharp pencil or a water-soluble pen.
2. **Fabric you cannot see through**
   Lay dressmaker's carbon paper colored side down on the fabric with page 3 on top, tape the layers and trace the lines firmly with a ballpoint pen.
3. **Iron-on**
   Go over the lines of page 4, the mirrored page, with an iron-on transfer pen, lay it ink side down on the fabric and press with a dry iron.

Pages 3 and 4 are the pattern at actual size. Print them at 100% with scaling turned off.

Each number is one group of like parts, numbered in the order of work. The picture is not to size.

1	**Snowflake lines**	Back stitch	DMC 336 Navy Blue	2 strands
2	**Center knot**	French knot	DMC 336 Navy Blue	6 strands, two wraps

Work it in this order

1 Start with the snowflake lines in back stitch. Begin at the middle of the design and work outward, one line at a time. Keep the stitches small and all the same length. Go down into the exact hole at the end of the last stitch.

2 Last, the center knot as a French knot. Hold the working thread taut from the first wrap until only the last inch or so (about 2.5 cm) is left to pull through. Take the needle down right beside the place it came up, with a little space between. Do not use the same hole, or the knot can pull through to the back.
