Stitches

- **Satin stitch**, 2 strands
  Frame, streamer eyes, bill, eye
- **Stem stitch**, 1 to 3 strands
  Frame lines, eye ring, lily stems
- **Long and short stitch**, 1 strand
  Far wing, wing coverts, small coverts, tail streamers, streamer eyes, tail, back, back feathers, breast, near wing, shoulder feathers, and 4 more
- **Split stitch**, 1 strand
  Feather shafts, back feather edges, petal edges
- **Straight stitch**, 1 strand
  Eye light, stamens, petal veins

In a 6 inch hoop the French knots are drawn smaller than about 2 mm (a little over 1/16 in). Use one strand of floss for them there, or choose a larger hoop.

Three ways to transfer the pattern

1. **Fabric you can see through**
   Tape page 2 to a sunny window or lay it on a light box, tape the fabric over it and trace the lines with a sharp pencil or a water-soluble pen.

2. **Fabric you cannot see through**
   Lay dressmaker's carbon paper colored side down on the fabric with page 2 on top, tape the layers and trace the lines firmly with a ballpoint pen.

3. **Iron-on**
   Go over the lines of page 3, the mirrored page, with an iron-on transfer pen, lay it ink side down on the fabric and press with a dry iron.

Pages 2 and 3 are the pattern at actual size. Print them at 100% with scaling turned off.
