Mecha robot resting in the snow

Sized for a 6 inch hoop (15 cm). The stitched design is about 4.7 × 4.7 in (11.9 × 11.9 cm).

Which color goes where: by number on page 2.
Fabric: navy cotton or linen.

Stitch in this order

Filled parts from the back of the picture forward, then lines.

1. **Long and short stitch**, 1 strand
   Sky, far hills, snow, armor, shoulder armor, snow on the armor, knee armor, hip armor, back armor, neck, helmet, hatch frame, lit doorway, and 9 more
2. **Satin stitch**, 2 strands
   Visor, antenna, helmet, lit window, elbow joint, shoulder vent, footprints
3. **Fly stitch**, 2 strands
   Pine trees
4. **Stem stitch**, strands by part on page 2
   Pine trees, ladder, edge
5. **Split stitch**, strands by part on page 2
   Armor seams, dusk light
6. **Straight stitch**, 2 strands
   Ladder

Three ways onto dark fabric

1. **Light shines through it**
   Lay page 3 on a bright light box, tape the fabric over it and trace the lines with a white marking pencil or pen.
2. **No light shines through**
   Print page 3 on a sticky wash-away sheet, smooth it onto fabric that can be washed, stitch through both and rinse it away.
3. **White or yellow carbon paper**
   Lay it colored side down on the fabric with page 3 on top, tape the layers and trace firmly with a ballpoint pen. Go over a faint line with a white pencil.

Page 3 is the pattern at actual size (page 4 is its mirror, for an iron-on pen on a light fabric). Print it at 100% with scaling turned off. Then put the fabric in the hoop: inner ring under, drawing up, tight as a drum.

6 inch hoop

How to read it

Floss is six strands. Cut 18 inches (45 cm), pull out the number given one at a time, and lay them together.

Inside a filled shape start with two or three tiny stitches, which the filling covers. Start a line with a small knot on the back. End each thread by running the needle under the backs of a few stitches.

A fine broken line inside a shape is where two shades meet: trace it, do not stitch it.

A number on the picture is a color of the list of floss on page 1. The fine lines on the colors show which way the stitches lie.
