- DMC 414 Dark Steel Gray**
Shafts of the wrenches, jaws of the wrenches and rings of the wrenches
- DMC 336 Navy Blue**
Cog outline
- DMC 3852 Very Dark Straw**
Rivets of the cog and hub of the cog

Stitches

- **Stem stitch**, 2 or 3 strands
Stems, cog outline
- **Satin stitch**, 2 strands
Leaves (each half slanted to the center vein, in its own color), bow, bow tails, shafts of the wrenches, jaws of the wrenches, rings of the wrenches, hub of the cog
- **Padded satin stitch**, 2 strands
Bow knot
- **French knot**, 2 strands, two wraps
Rivets of the cog

Three ways to transfer the pattern

1. Fabric you can see through

Tape page 2 to a sunny window or lay it on a light box, tape the fabric over it and trace the lines with a sharp pencil or a water-soluble pen.

2. Fabric you cannot see through

Lay dressmaker's carbon paper colored side down on the fabric with page 2 on top, tape the layers and trace the lines firmly with a ballpoint pen.

3. Iron-on

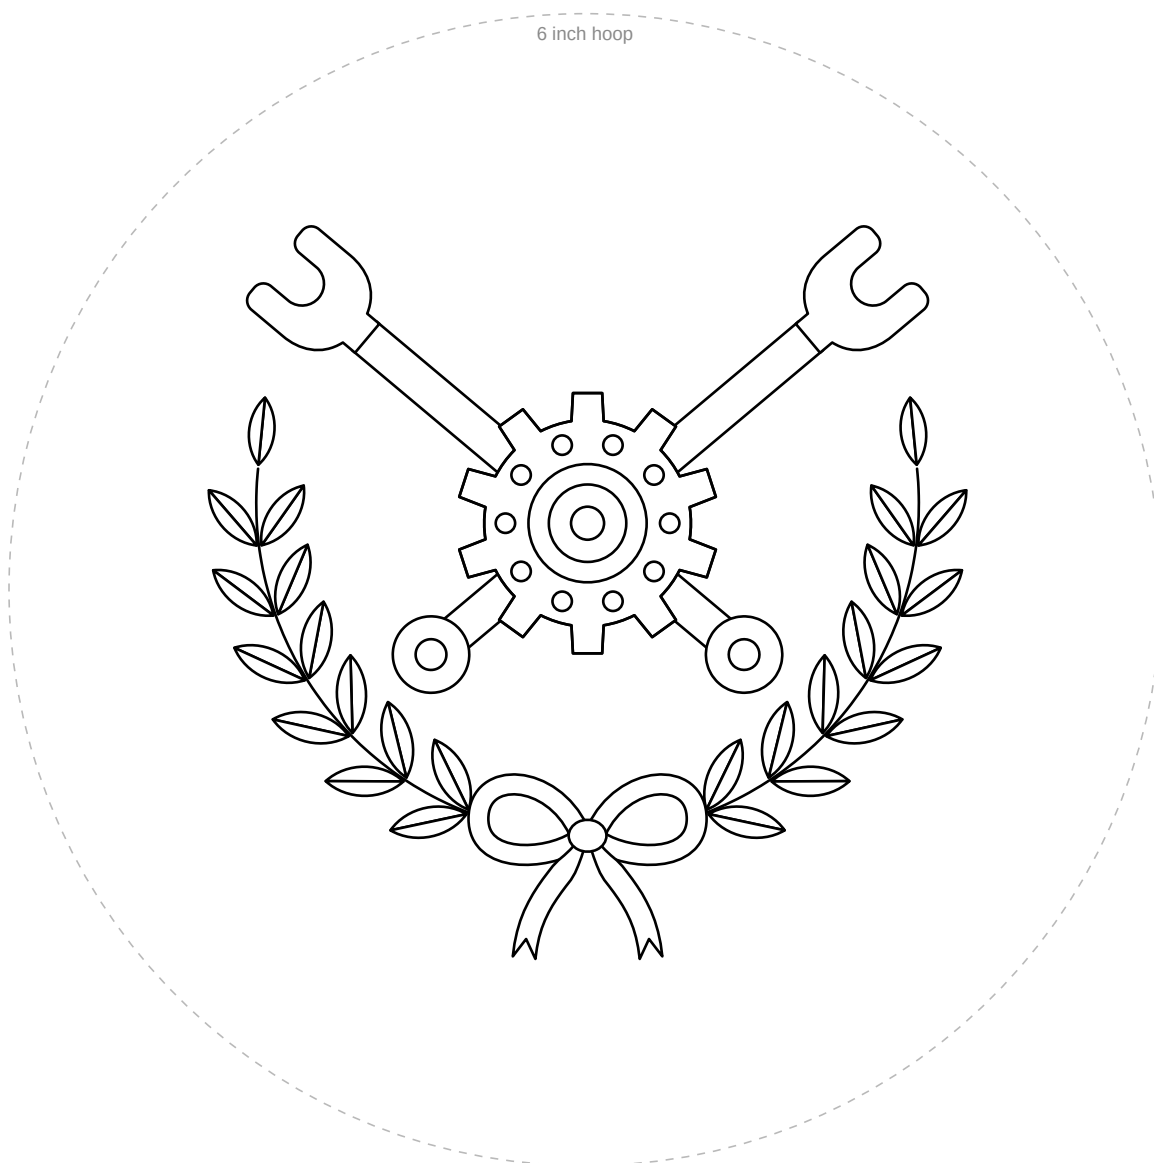

Go over the lines of page 3, the mirrored page, with an iron-on transfer pen, lay it ink side down on the fabric and press with a dry iron.

Pages 2 and 3 are the pattern at actual size. Print them at 100% with scaling turned off.

Mechanic's cog and wrenches

6 inch hoop

Print at 100% (actual size). Do not scale or fit to page. Check the square below with a ruler before you trace.

**1 in**

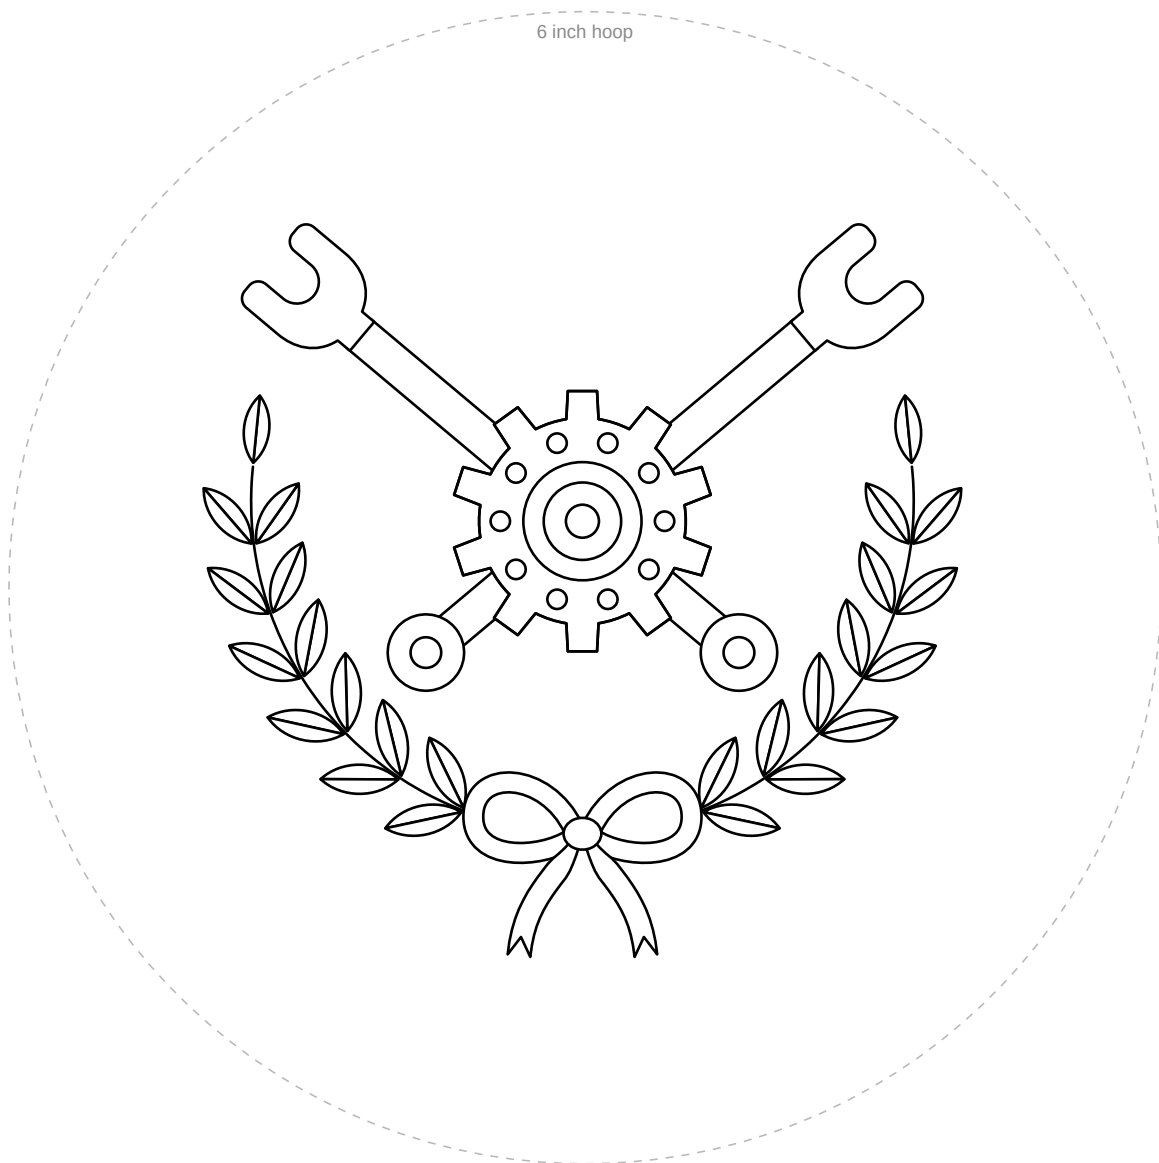

25.4 mm

Check square: 1 inch (25.4 mm) on each side.
If it measures anything else, print again at 100% with scaling off.

Mechanic's cog and wrenches

6 inch hoop

Mirrored. Trace this page with an iron-on transfer pen or pencil, then press it ink side down on the fabric.
