Nautilus shell with moon phases

Sized for a 6 inch hoop (15 cm). The stitched design is about 4.1 × 4.2 in (10.4 × 10.7 cm).

Which color goes where.

Three ways to transfer the pattern

1. **Fabric you can see through**
   Tape page 2 to a sunny window or lay it on a light box, tape the fabric over it and trace the lines with a sharp pencil or a water-soluble pen.
2. **Fabric you cannot see through**
   Lay dressmaker's carbon paper colored side down on the fabric with page 2 on top, tape the layers and trace the lines firmly with a ballpoint pen.
3. **Iron-on**
   Go over the lines of page 3, the mirrored page, with an iron-on transfer pen, lay it ink side down on the fabric and press with a dry iron.

Pages 2 and 3 are the pattern at actual size. Print them at 100% with scaling turned off.

Floss

- **DMC 792 Dark Cornflower Blue**
  Room shadows
- **DMC 783 Medium Topaz**
  Chamber walls, small chamber walls and star shadows
- **DMC 931 Medium Antique Blue**
