Two ways onto denim

1. **A wash-away sheet, the sure way**
   Print page 3 on a sticky wash-away sheet, smooth it onto the denim, stitch through both and rinse it away.
2. **White or yellow carbon paper**
   Lay it colored side down on the fabric with page 3 on top, tape the layers and trace firmly with a ballpoint pen. Go over a faint line with a white pencil.

Page 3 is the pattern at actual size (page 4 is its mirror, for an iron-on pen on a light fabric). Print it at 100% with scaling turned off. Then put the fabric in the hoop: inner ring under, drawing up, tight as a drum.

How to read it

Floss is six strands. Cut 18 inches (45 cm), pull out the number given one at a time, and lay them together.

On denim start with a small firm knot inside, which the cloth hides; inside a filled shape take two or three tiny stitches instead. End each thread by running the needle under the backs of a few stitches.

Each small ring is one French knot. A dashed line is running stitch. A fine broken line inside a shape is where two shades meet: trace it, do not stitch it.

A number on the picture is a color of the list of floss on page 1. The fine lines on the colors show which way the stitches lie.
