How to read it

Floss has six strands: cut 18 inches (45 cm), pull out the number named one at a time, and lay them together.

Start a filling with tiny stitches, a line with a small knot; end under stitches on the back.

Onto the fabric

Fabric you can see through: page 3 taped to a sunny window, the fabric over it; trace.

Other fabric: dressmaker's carbon paper, colored side down, page 3 on top; trace with a ballpoint.

Iron-on pen: go over page 4, the mirrored page, and press it ink side down as the pen's packet says. The lines stay.

Then hoop it, inner ring under, tight as a drum.

Buy: 5 colors of floss (page 2), one skein of each color (an estimate from the drawing's lines and shapes), an embroidery needle size 9, a 6 inch (15 cm) hoop, a 9 inch (23 cm) square of white or light cotton or linen, a water-soluble pen.
