=	**DMC 312**	Very Dark Baby Blue	132	1	1
Z	**DMC 782**	Dark Topaz	91	1	1

One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 24 x 6 in (61 x 15.2 cm) for 18 mesh: the design and 2 in (5.1 cm) of margin on every side.

12,960 stitches in all. Start from the center: a red arrow above the chart marks the center column, and one to the left of it the center row. The arrows are on the pages those lines cross.

The chart is divided evenly over 4 pages. Pages 2, 3, 4 and 5 are turned on their side, for a part that is wider than it is tall. Where chart pages join, gray squares repeat two columns. The small picture at the top of each chart page shows which part it is.

Thread: six-strand floss, 4 to 6 strands in the needle on 18 mesh (counted at 6), about 18 skeins of 8.7 yd in all. Or pearl cotton size 5, 1 strand, about 13 skeins of 27.3 yd; or Persian wool, 1 strand, about 13 skeins of 8 yd. Wool is numbered differently: match it by eye. Needle: tapestry, size 22.

Yards and skeins are estimates: the thread a stitch takes on the front and back of 18 mesh canvas, plus 30 percent, rounded up for each color (about 94 yards in all, as the thread lies in the needle).

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

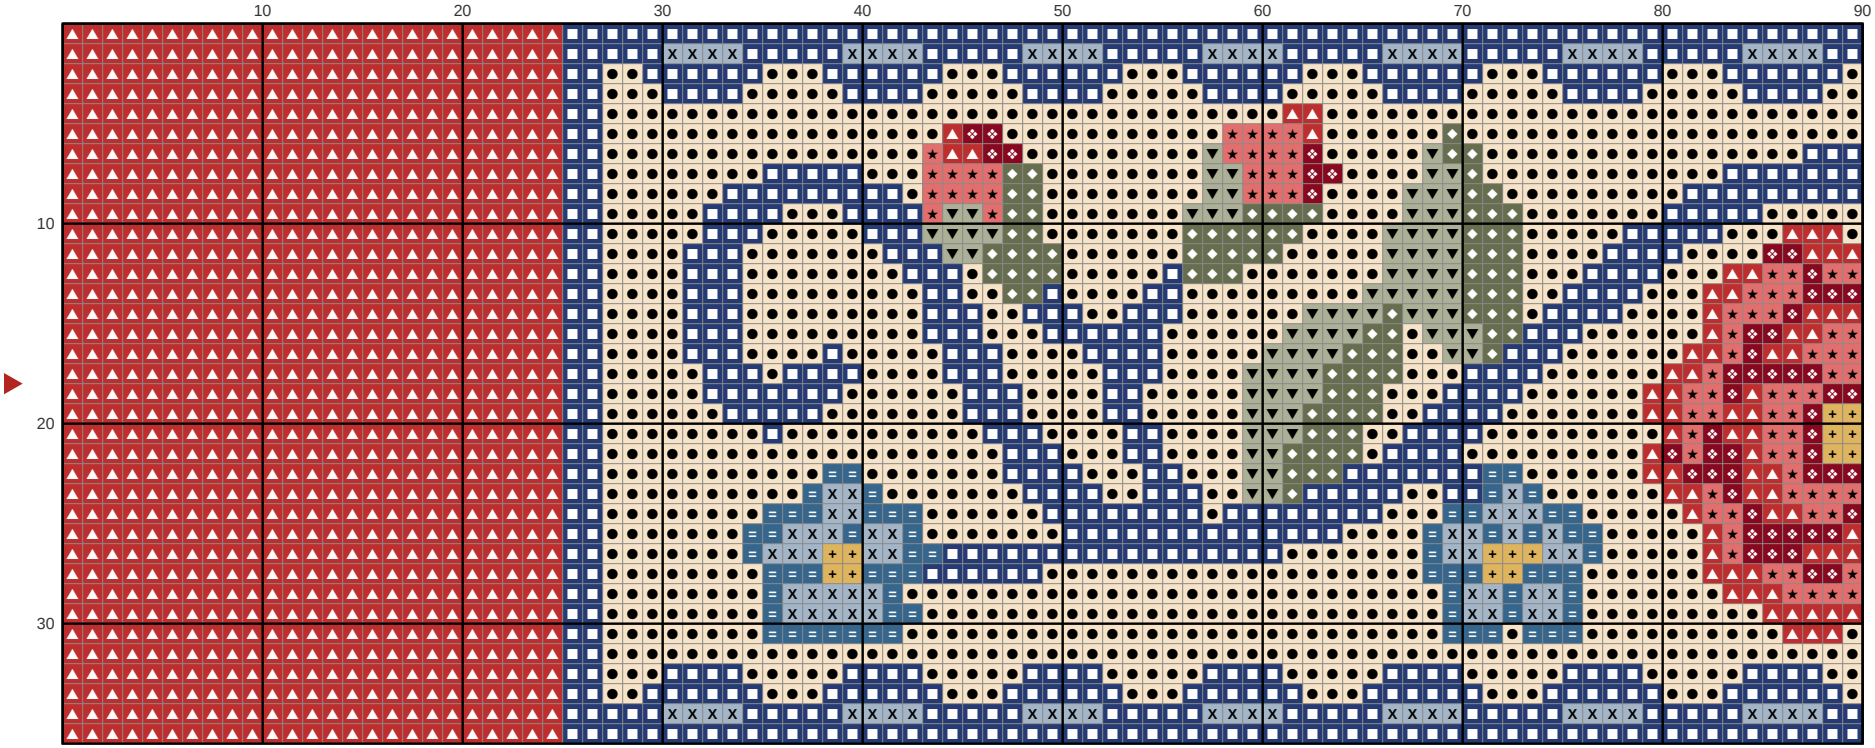

When it is stitched: also have a finisher, or the fabric and cord to make it up yourself. Ask before you stitch the edge: some finishes take extra rows. "Ways to finish needlepoint" is a guide linked from this pattern's page.

For your own stitching, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.
