One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 8 x 8 in (20.3 x 20.3 cm) for 18 mesh: the design and 2 in (5.1 cm) of margin on every side.

5,184 stitches in all. Start from the center: the red arrows above and to the left of the chart mark it.

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.
