Classic teddy bear

Needlepoint pattern | 72 x 72 stitches | 4 x 4 in (10.2 x 10.2 cm) on 18 mesh | 10 colors

How to stitch it

1. Each square is one tent stitch, up at 1, down at 2. Lines in continental, right to left, the canvas upside down for the next row; wide areas in basketweave.
2. Cut 18 in of thread. Start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square, column 36, row 36 (DMC 666): start there. Count threads, not holes.
4. Go on from it: picture first, background last. End the thread before crossing another color.
5. Last, two more rows all round in DMC 775: the board's edge hides them.
