Folk art samurai helmet

Needlepoint pattern | 72 x 72 stitches | 4 x 4 in (10.2 x 10.2 cm) on 18 mesh | 4 colors

How to stitch it

1. Each square is one tent stitch: up at 1, down at 2. Work a row right to left, then turn the canvas upside down for the next.
2. Cut 18 in of thread. Start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square, column 36, row 36 (DMC 783): start there. Count threads, not holes.
4. Go on from it: picture first, background last. End the thread before crossing another color.
5. Last, two more rows all round in DMC 321: the board's edge hides them.
