One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 15 x 22 in (38.1 x 55.9 cm) for 13 mesh: the design and 2 in (5.1 cm) of margin on every side.

22,920 stitches in all, inside the outline: the chart is 143 x 234 at its widest and tallest. Start from the center: a red arrow above the chart marks the center column, and one to the left of it the center row. The arrows are on the pages those lines cross.

The chart is on 4 pages, each cut to what is stitched: bare canvas has no page, and a join falls on plain ground where it can. Pages 2 and 3 are turned on their side, for a part that is wider than it is tall. Where chart pages join, gray squares repeat two rows or columns. The small picture at the top of each chart page shows which part it is.

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

For your own stitching, gifts and handmade pieces you sell. Do not resell or share this PDF.
