Native American style stepped diamonds

Needlepoint pattern | 140 x 140 stitches | 14 x 14 in (35.6 x 35.6 cm) on 10 mesh | 7 colors

How to read the chart

1. Each square is one tent stitch, up at 1, down at 2: basketweave for the background, continental for lines.
2. Bind the edges. Cut 18 in of thread; start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square on page 2 (DMC 3371): start there. Count threads, not holes.
4. Picture first, then border, background last. Gray squares are on two pages: stitch them once.
5. A heavier line stands every ten squares: count by them.
6. When it is done, block it square.

You will need

Canvas: blank mono canvas, 10 mesh (10 threads to the inch), cut 18 x 18 in (45.7 x 45.7 cm).

Needle: tapestry, size 16 or 18. Also masking tape for the cut edges, and small scissors.

Thread: pearl cotton size 3, 2 strands in the needle, about 33 skeins in all (an estimate).

Make it a pillow: backing fabric, an insert the size of the stitching or an inch larger, and cord or piping for the edge. The seam takes two rows: stitch two extra rows all round, carrying the colors of the edge on. With those rows, each stitch in the color it lies beside, it takes 11 skeins of DMC 3371, not 9. How to finish a pillow.

Thread list

			stitches	skeins of pearl
●	**DMC 3371**	Black Brown	5,936	9
■	**DMC 355**	Dark Terra Cotta	4,208	7
▲	**DMC 712**	Cream	3,648	6
◆	**DMC 3820**	Dark Straw	2,288	4
▼	**DMC 3810**	Dark Turquoise	2,024	4
★	**DMC 739**	Ultra Very Light Tan	936	2
❖	**DMC 783**	Medium Topaz	560	1

Skeins are estimates: the thread a stitch takes on the front and back of 10 mesh canvas, plus 30 percent, rounded up for each color.

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

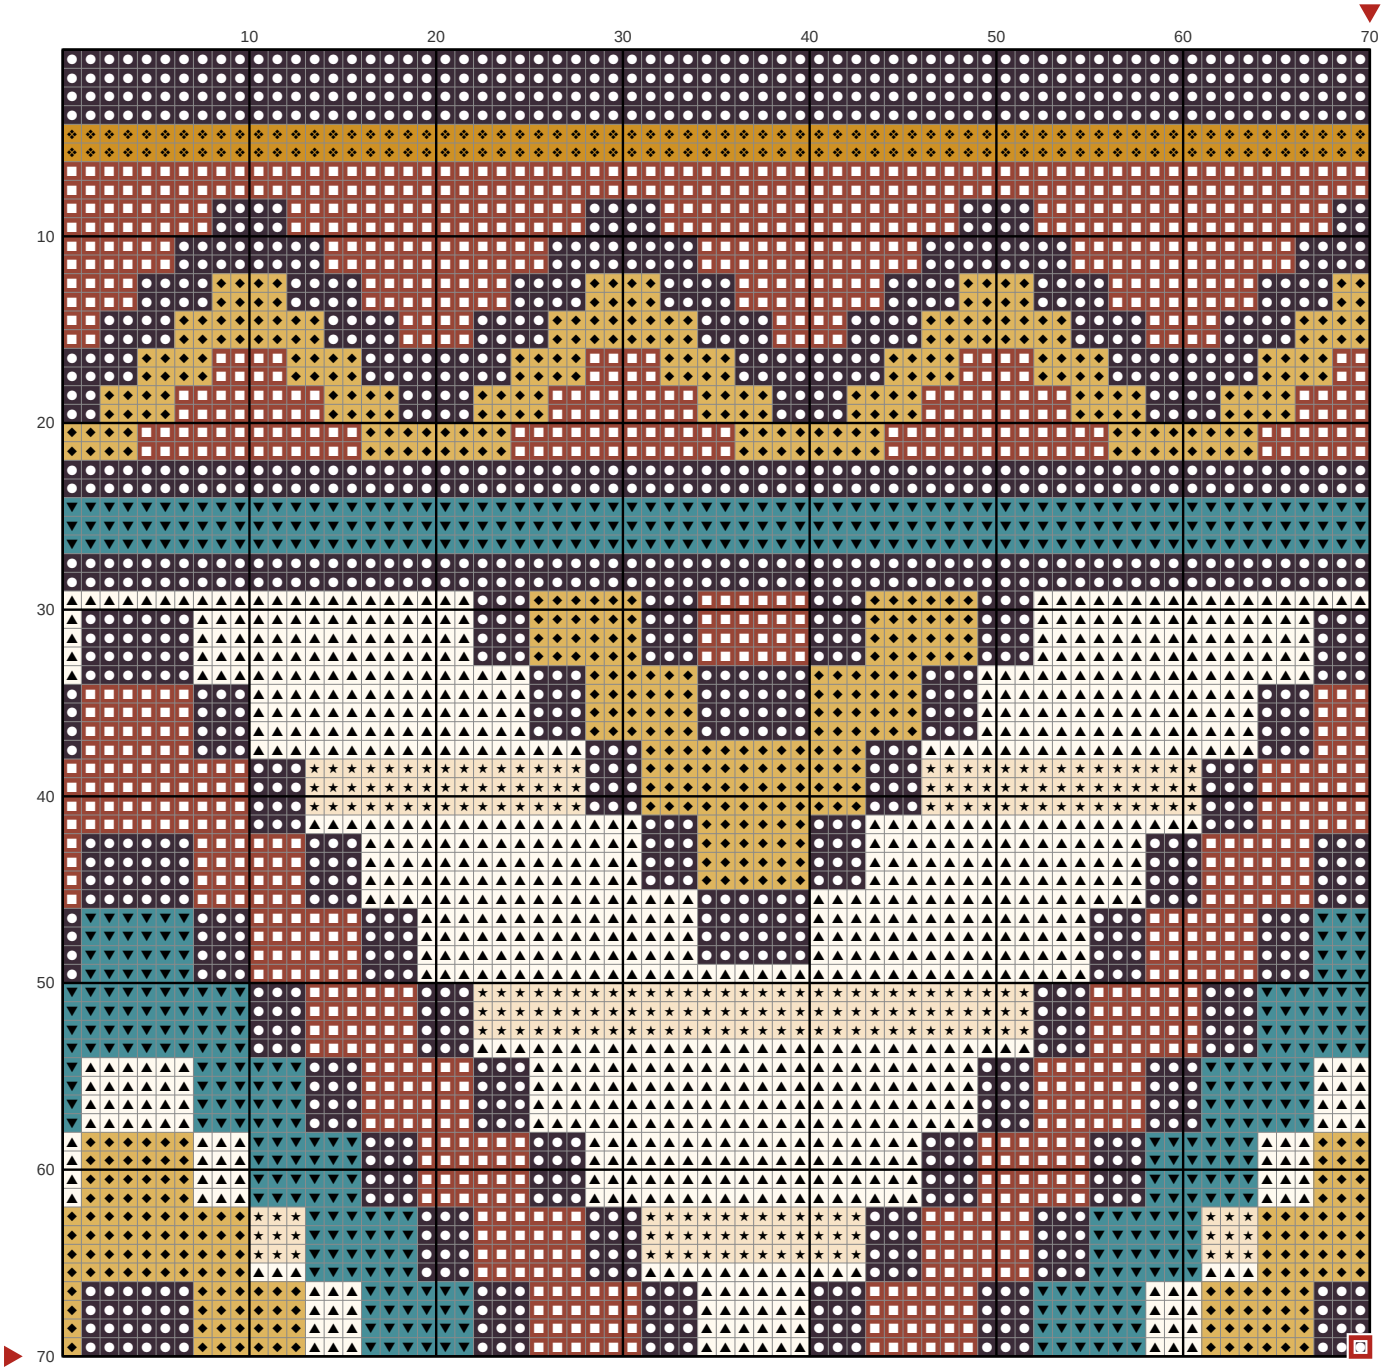

For your own stitching, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.
