Each stitch covers 4 canvas threads, shorter where the quarters meet and at the edges: upright in the top and bottom quarters, lying across in the left and right ones. One chart square is one canvas thread, and each outlined bar is one stitch, with its symbol in the middle.

Cut the canvas at least 18 x 18 in (45.7 x 45.7 cm) for 13 mesh: the design and 2 in (5.1 cm) of margin on every side.

33,124 chart squares stitched in all. Start from the center: a red arrow above the chart marks the center column, and one to the left of it the center row. The arrows are on the pages those lines cross. The center is a hole, with 91 canvas threads on each side of it. Work the round outlined in red first: 20 stitches in DMC 3801, over 1 to 4 threads. Then work outward, a round at a time.

The chart is on 5 pages, each cut to what is stitched: bare canvas has no page, and a join falls on plain ground where it can. Pages 2 and 3 are turned on their side, for a part that is wider than it is tall. Where chart pages join, gray squares repeat two rows or columns. The small picture at the top of each chart page shows which part it is.

Thread: pearl cotton size 3, 1 strand in the needle on 13 mesh, about 22 skeins of 16.4 yd in all. Or six-strand floss, 7 or 8 strands, about 40 skeins of 8.7 yd; or tapestry wool, 1 strand, about 32 skeins of 8.7 yd; or Persian wool, 2 strands, about 25 skeins of 8 yd. Wool is numbered differently: match it by eye. Needle: tapestry, size 20.

Yards and skeins are estimates: the thread a stitch takes on the front and back of 13 mesh canvas, plus 30 percent, rounded up for each color (about 217 yards in all, as the thread lies in the needle).

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

When it is stitched: also have a finisher, or the fabric and cord to make it up yourself. Ask before you stitch the edge: some finishes take extra rows, which are worked in tent stitch, outside the pattern. "Ways to finish needlepoint" is a guide linked from this pattern's page.
