C	**780**	Ultra Very Dark Topaz	27	1	1

One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 16.5 x 12.1 in (41.9 x 30.8 cm) for 14 mesh: the design and 2 in (5.1 cm) of margin on every side.

16,106 stitches in all, inside the outline: the chart is 175 x 114 at its widest and tallest. Start from the center: a red arrow above the chart marks the center column, and one to the left of it the center row. The arrows are on the pages those lines cross.

The chart is divided evenly over 4 pages. Pages 2, 3, 4 and 5 are turned on their side, for a part that is wider than it is tall. Where chart pages join, gray squares repeat two rows or columns. The small picture at the top of each chart page shows which part it is.

Thread: six-strand floss, 6 or 7 strands in the needle on 14 mesh (counted at 7), about 33 skeins of 8.7 yd in all. Or pearl cotton size 3, 1 strand, about 24 skeins of 16.4 yd; or tapestry wool, 1 strand, about 30 skeins of 8.7 yd; or Persian wool, 2 strands, about 26 skeins of 8 yd. Wool is numbered differently: match it by eye. Needle: tapestry, size 20.

Yards and skeins are estimates: the thread a stitch takes on the front and back of 14 mesh canvas, plus 30 percent, rounded up for each color (about 154 yards in all, as the thread lies in the needle).

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

When it is stitched: also have a finisher, or the fabric and cord to make it up yourself. Ask before you stitch the edge: some finishes take extra rows. "Ways to finish needlepoint" is a guide linked from this pattern's page.

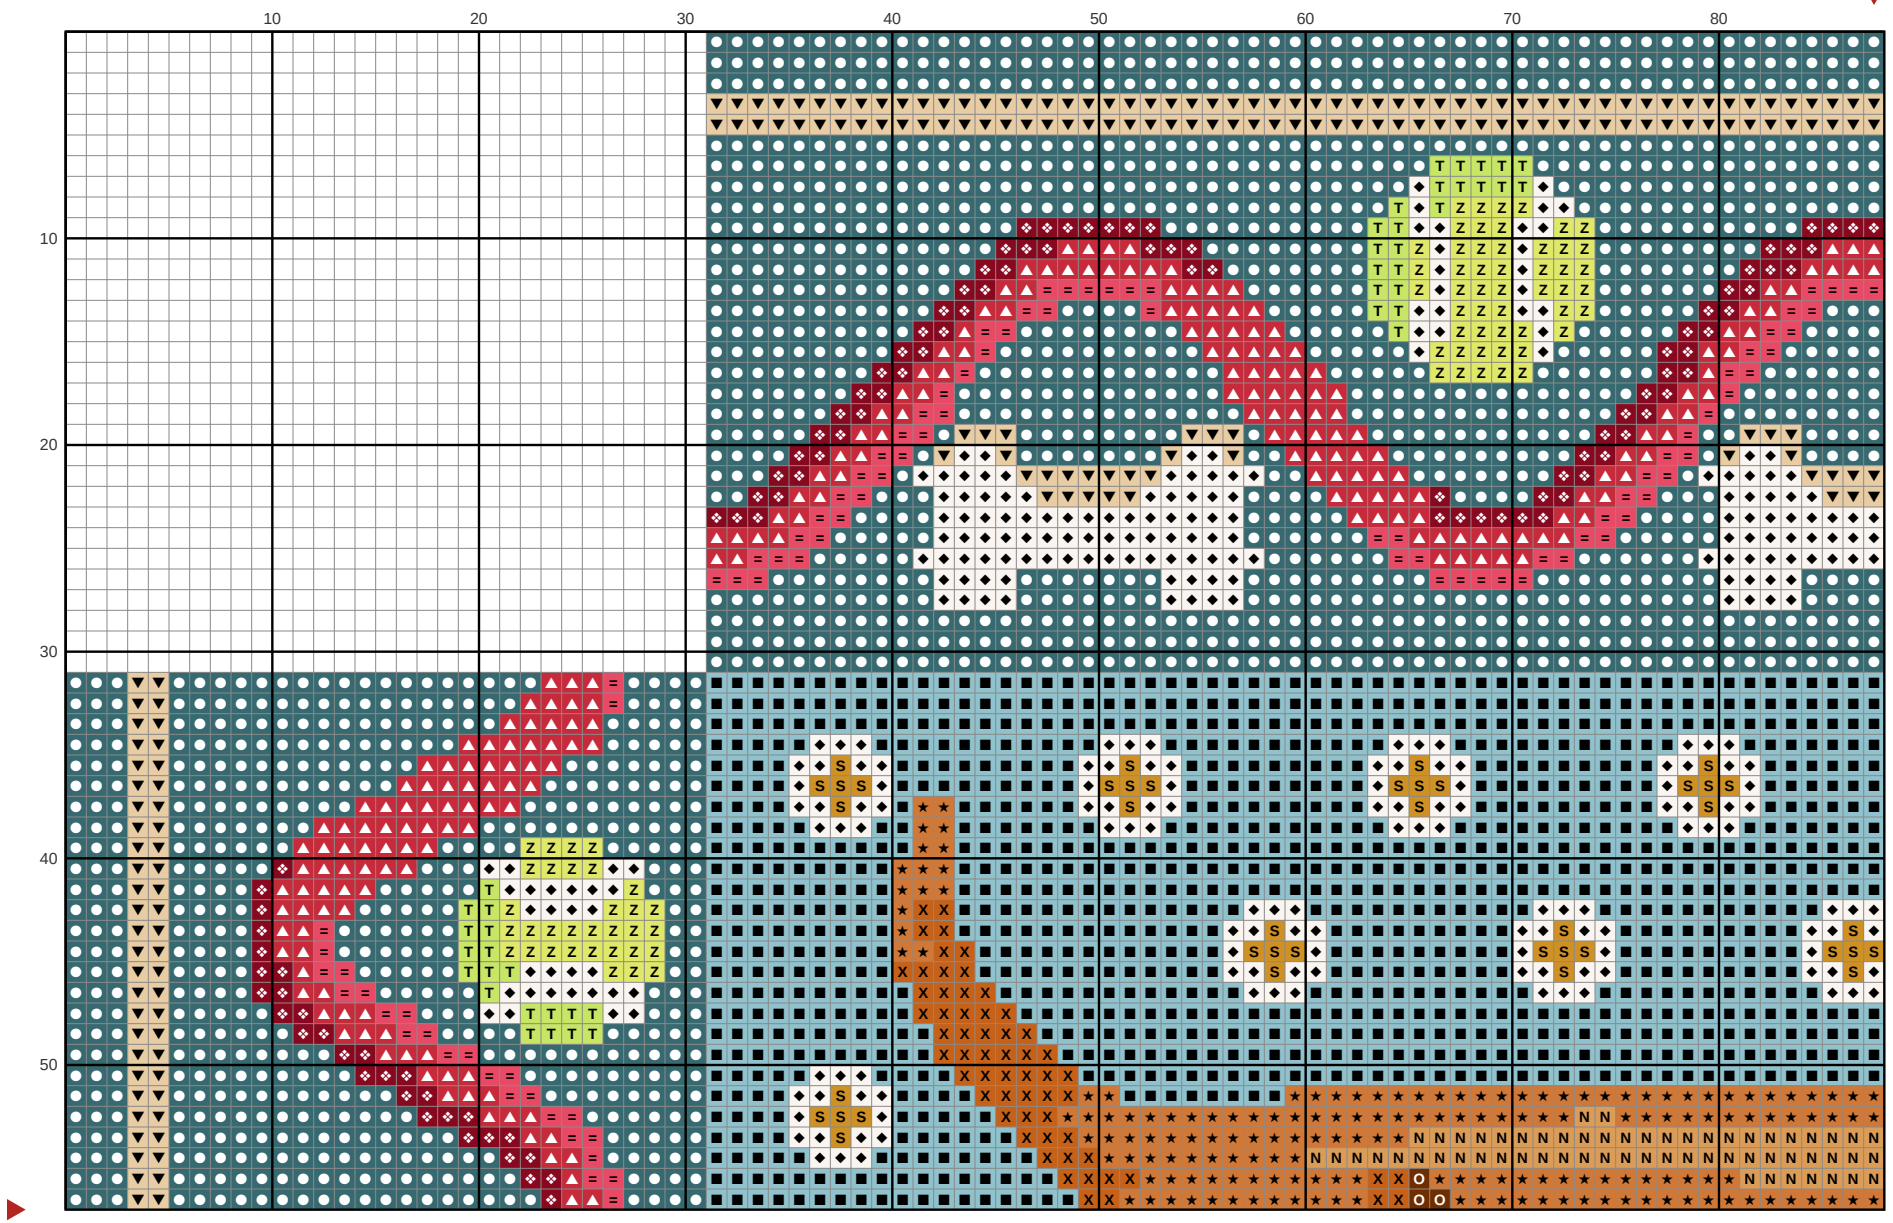

For your own stitching, gifts and handmade pieces you sell. Do not resell or share this PDF.
