Hedgehog mother and babies in clover

Needlepoint pattern | 156 x 156 stitches | 12 x 12 in (30.5 x 30.5 cm) on 13 mesh | 23 colors

How to stitch it

1. Each square is one tent stitch, up at 1, down at 2. Lines in continental, right to left, the canvas upside down for the next row; wide areas in basketweave.
2. Cut 18 in of thread. Start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square on page 5, column 78, row 78 (DMC 437): start there. Count threads, not holes.
4. Go on from it: picture first, background last. Gray squares are on two pages: stitch them once.
5. Last, two more rows all round, each stitch in the color it lies beside: the seam hides them.
