Swiss flag wallet with edelweiss

Needlepoint pattern | 156 x 72 stitches | 8.7 x 4 in (22 x 10.2 cm) on 18 mesh | 12 colors

How to read the chart

1. Each square is one tent stitch, up at 1, down at 2: basketweave for the background, continental for lines.
2. Bind the edges. Cut 18 in of thread; start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square on page 2 (DMC 815): start there. Count threads, not holes.
4. Picture first, then border, background last. Gray squares are on two pages: stitch them once.
5. A heavier line stands every ten squares: count by them.
6. When it is done, block it square.

You will need

Canvas: blank mono canvas, 18 mesh (18 threads to the inch), cut 12.7 x 8 in (32.2 x 20.3 cm).

Needle: tapestry, size 22. Also masking tape for the cut edges, and small scissors.

Thread: six-strand floss, 4 strands in the needle (5 or 6 if canvas shows), about 18 skeins in all (an estimate).

Make it a wallet: a wallet or clutch with a window this size, or a lining and a closure to sew it up. Measure the window before you stitch. If the piece is small for it, stitch two extra rows all round in DMC 815, the color at its edge.

Skeins are estimates: the thread a stitch takes on the front and back of 18 mesh canvas, plus 30 percent, rounded up for each color.
Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.
