2	3371	Black Brown	89	2	1

One chart square is one tent stitch over one canvas intersection.

Cut the canvas at least 28 x 28 in (71.1 x 71.1 cm) for 10 mesh: the design and 2 in (5.1 cm) of margin on every side.

57,600 stitches in all. Start from the center: a red arrow above the chart marks the center column, and one to the left of it the center row. The arrows are on the pages those lines cross.

The chart is on 10 pages, each cut to what is stitched: bare canvas has no page, and a join falls on plain ground where it can. Pages 2, 3, 4, 9, 10 and 11 are turned on their side, for a part that is wider than it is tall. Where chart pages join, gray squares repeat two rows or columns. The small picture at the top of each chart page shows which part it is.

Thread: pearl cotton size 3, 2 strands in the needle on 10 mesh, about 97 skeins of 16.4 yd in all. Or six-strand floss, 8 to 10 strands, about 147 skeins of 8.7 yd; or tapestry wool, 1 strand, about 93 skeins of 8.7 yd; or Persian wool, 3 strands, about 102 skeins of 8 yd. Wool is numbered differently: match it by eye. Needle: tapestry, size 16 or 18.

Yards and skeins are estimates: the thread a stitch takes on the front and back of 10 mesh canvas, plus 30 percent, rounded up for each color (about 723 yards in all, as the thread lies in the needle).

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.

When it is stitched: also have a finisher, or the fabric and cord to make it up yourself. Ask before you stitch the edge: some finishes take extra rows. "Ways to finish needlepoint" is a guide linked from this pattern's page.

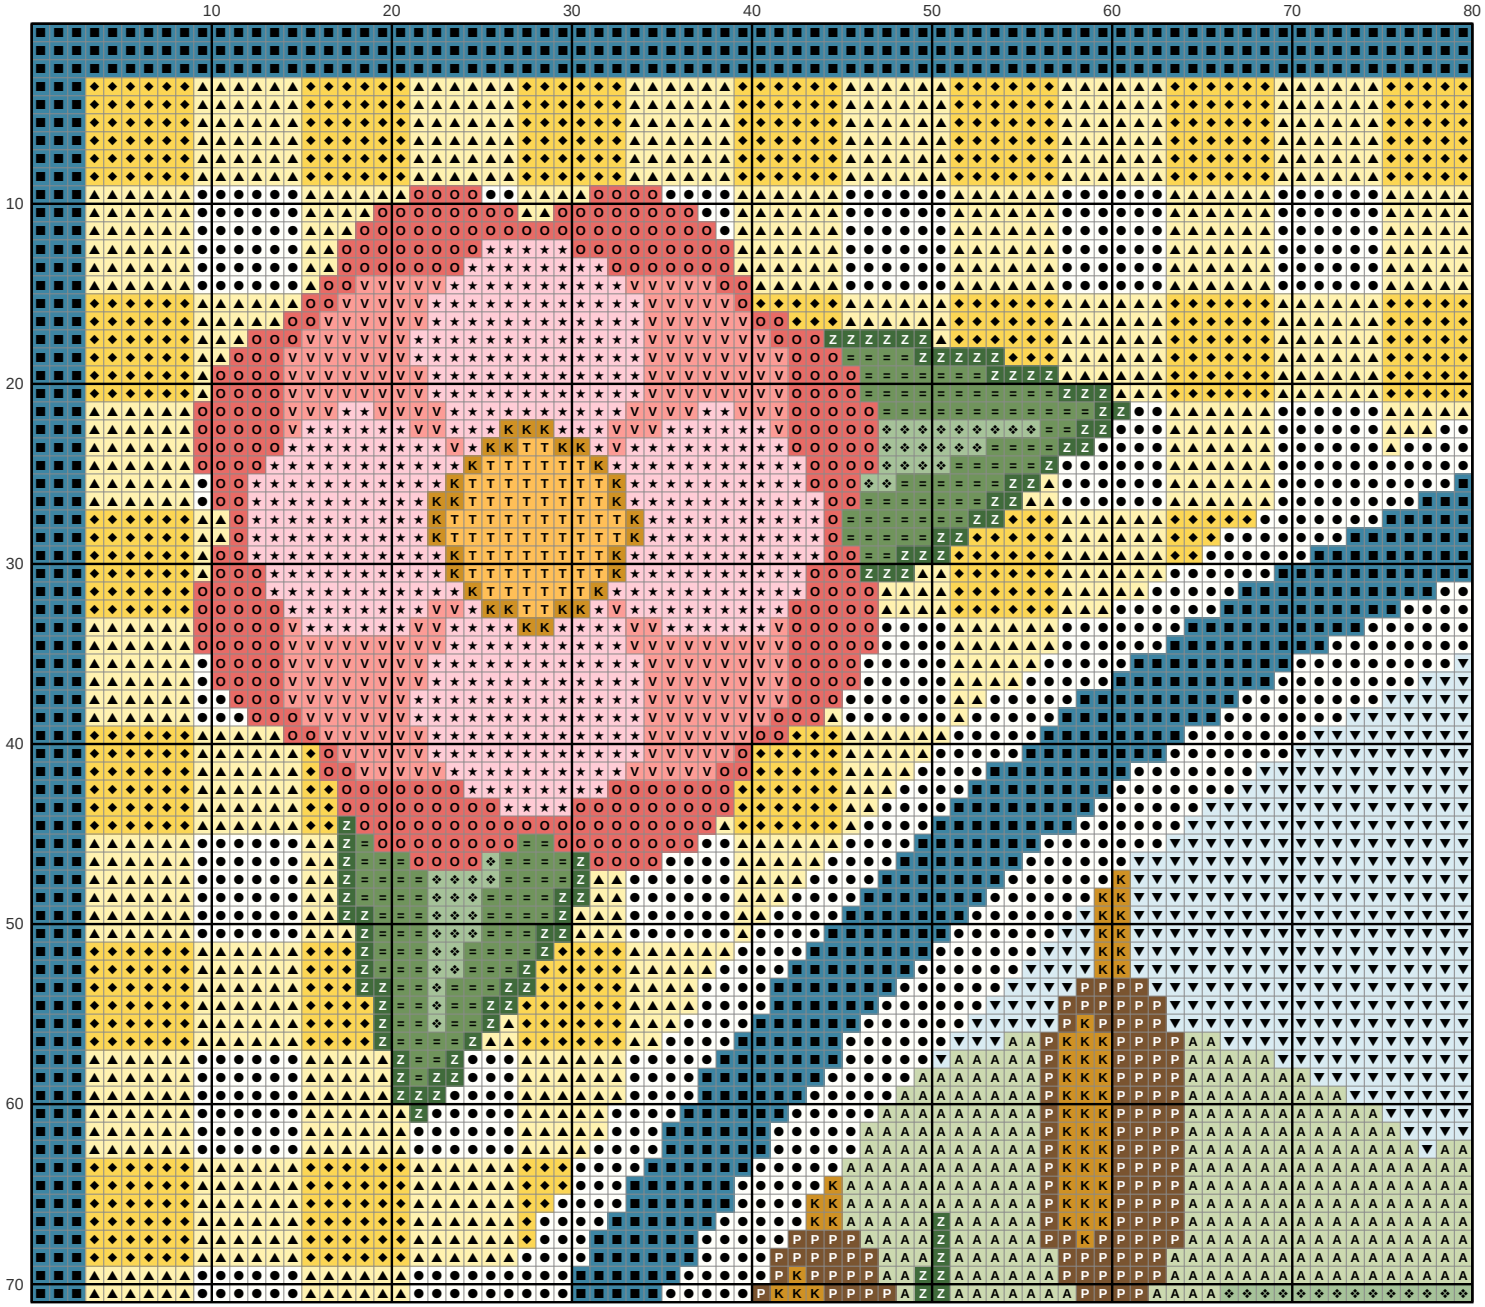

For your own stitching, gifts and handmade pieces you sell. Do not resell or share this PDF or copies of it.
