The good life, hammock and palms

Needlepoint pattern | 182 x 182 stitches | 14 x 14 in (35.6 x 35.6 cm) on 13 mesh | 24 colors

How to stitch it

1. Each square is one tent stitch, up at 1, down at 2. Lines in continental, right to left, the canvas upside down for the next row; wide areas in basketweave.
2. Cut 18 in of thread. Start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square on page 3, column 91, row 91 (DMC 3865): start there. Count threads, not holes.
4. Go on from it: picture first, background last. Gray squares are on two pages: stitch them once.
5. Last, two more rows all round in DMC 3865: the seam hides them.

Thread colors are approximate screen matches to DMC numbers. Check against real thread before you buy.
