Wave belt

Needlepoint pattern | 180 x 22 stitches | 10 x 1.2 in (25.4 x 3.1 cm) on 18 mesh | 8 colors

How to stitch it

1. Each square is one tent stitch, up at 1, down at 2. Lines in continental, right to left, the canvas upside down for the next row; wide areas in basketweave.
2. Cut 18 in of thread. Start and end it without a knot left behind.
3. Mark the middle of the canvas. It is the outlined square, column 30, row 11 (DMC 823), for a size 36 belt: start there. Count threads, not holes.
4. Go on from it: picture first, background last. One repeat is 3.3 in: carry on both ways to your length. Gray squares are charted twice: stitch them once.
5. Last, two more rows of DMC 823 along each long edge: they are folded under. Ask your finisher first.

For initials or a name at its middle, type them on the pattern's page: they are charted there.

What you need

Make it a belt: a finisher who mounts it on leather, or a buckle and leather tabs. How to make a belt.
